

## Device User Agreement 2024-2025

**Purpose:** In order to support learning, Fulton County Schools is providing devices to students. Like a textbook, the device is a resource to support learning.

Students with devices are required to follow the guidelines within this document, as well as all school, classroom, and School District policies and procedures regarding behavior and technology use.

**Contact Person:** If you have questions or concerns, please contact your school administration.

**Receiving the Device:** Parents and students must agree to this document. Students must also complete the digital citizenship curriculum that the school requires.

**Returning the Device:** Devices will be returned to the school at the end of the school year, unless otherwise communicated by the school. The use of devices provided by Fulton County Schools is not transferable to anyone and terminates when a student is no longer enrolled at the issuing school.

Students who transfer, withdraw, are expelled, or terminate enrollment at the school for any reason must return their device on the date of withdrawal/termination. A student who fails to return the device will be subject to paying up to the full replacement cost of the device and any accessories, and may also have grade cards, transcripts, diplomas, or certificates of progress withheld until restitution is made.

**Damage and Loss:** All district-issued devices are the property of the Fulton County School District. If a device is damaged, lost, or stolen during the time that it is issued to the student, whether intentionally or due to negligence, the student and the student's parent/guardian will be responsible for paying the fines outlined in this document.

**Responsible Device Use:** All users of District-issued devices must follow the expectations outlined in District Policy and Operating Guidelines *IFBGA: Responsible Use of the Enterprise Network*, *JD: Student Discipline/Student Code of Conduct*, and *JS: Student Fines, Fees, and Charges*. Failure to follow these expectations will lead to applicable student disciplinary consequences. All District policies can be found at [www.fultonschools.org](http://www.fultonschools.org).

While off school grounds parents/guardians are solely responsible for monitoring the student's use of the device. Students may not exhibit inappropriate behaviors, or access prohibited materials with the device, at any time, at any location. Students will be subject to disciplinary and/or legal action if they use the device for inappropriate activities, whether on or off school grounds.

**Privacy:** Nothing done on District-issued devices is private. District staff may, at any point, confiscate and search for the contents of any district-issued electronic device. Devices are enabled with GPS locating systems, and in the case of loss or theft, this system will be activated.

The Fulton County School District recognizes all aspects of the Children's Online Privacy Protection Act (COPPA), the Children's Internet Protection Act (CIPA), and the Family Education Rights and Privacy Act (FERPA).
