Westchester Academy for International Studies (WAIS) is a District sponsored charter school. WAIS provides a challenging, advanced level curriculum that helps students develop a global awareness including a focus on international relations and problem solving while delivering an advanced level curriculum. Instructors use a variety of teaching methods and promote a culture of college readiness and success.

WAIS offers an International Baccalaureate World School curriculum with an authorized Middle Years Programme for 6-10th grades, and both a Diploma Programme and Career-Related Programme for 11 and 12th grades. All 9th and 10th graders take English, math, science and social studies at Advanced Academics level (AAC).

Along with a rigorous curriculum, students develop an international perspective through exploring the languages, cultures, business environments, governments, fine arts and technologies of other countries to prepare for the global workforce. Creative thinking, reflection, and problem solving are integral components of all classes.

In addition to the International Baccalaureate Diploma Programme, students may take Advanced Placement courses.

Grading & Ranking Procedures

World languages are encouraged at all grade levels. The District's career and technology center, The Guthrie Center, provides instruction in 12 popular career focus areas.

Although students primarily earn college credit through IB/AP courses, they may also earn college credit through the District's Early College Program by taking courses at Houston Community College.

WAIS provides a Secondary Dual Language Program option for students continuing from SBISD elementary schools' Two-Way Dual Language Programs.

Classes are on a 7 period schedule and each class meets for 52 minutes. Semesters are 18 weeks with 9 week grading periods.

WAIS has earned distinctions from the Texas Education Agency in all four core subjects, post-secondary readiness, and for closing gaps. WAIS is regularly included in recognitions such as Best High Schools in Houston, Children At Risk; America's Best High Schools, U.S. News and World Report; and Best Charter High Schools, Niche.
