EXTRA MILE AWARD

Congratulations to our Extra Mile Award winner for August, Kimberly Cregar, 5th grade band teacher at Stark Elementary. Mrs. Cregar spends every day serving students at every school in the county. In addition to teaching beginning band at all 3 elementary schools, she assists with students in the middle school band, and is the assistant band director at the high school. She organizes our county-wide events such as Music Palooza, the Elementary Combined Winter Concert, and the Music in Our Schools Concert in March. She is vital to the preparation of Large Group Performance Evaluations for the JHS Bands and is a key player in the administrative tasks required for the JHS Marching Redcoats. Preparing music, copying drill cards, recruiting clinicians, and leading sectionals are only a small portion of the myriad of details she executes that are necessary to ensure marching band camp runs smoothly. Additionally, she is an advocate for all of the music programs in the county. She provides a bridge for effective collaboration between all 5 schools by organizing meetings as well as providing prompt and concise communication. Mrs. Cregar does all of this with a calm demeanor and a can-do attitude.
