EXTRA MILE AWARD

Melissa Abrams was named the Extra Mile Award winner for March. She is a para-pro in Kindergarten at Stark Elementary School. Even on the weekends or in the evenings, she is constantly looking for activities that will engage our children as well as give them experiences they may not otherwise receive. Whenever the teacher has been away for extended periods, Ms. Abrams communicated daily to go over what was going on and what was accomplished or not that particular day giving the teacher time to focus on her family and health, knowing that the students were in the best possible hands. Ms. Abrams always goes above and beyond what is asked of her. She is always at work early and busy getting things ready for the day. When she isn't going to be at work, she will reach out to the other paras to make sure her duties are all covered.
