### EXTRA MILE AWARD

Mr. Marvin White was named the Extra Mile Award winner for February. Mr. White is a very dependable, loyal, and safety conscious driver. He rarely takes a day off and is always on time. Recently, while on his way to begin picking up students, Mr. White witnessed an accident and requested permission to stop and assist the drivers involved.

“Mr. White got off his bus to check on myself and the other driver to ensure that we were not injured. He also directed traffic until law enforcement arrived. He was very caring and calming through it all. He was just being a good citizen which is what I am teaching my second graders now. Mr. White is a wonderful example to the many drivers that transport our children to and from school each day,” said Ms. Kitchens, one of the drivers involved in the accident. “Because of his compassion, loyalty, dependability and dedication to the Butts County School System, I feel that Mr. Marvin White should receive the Extra Mile Award.”
