EXTRA MILE AWARD

Ms. Fay Freeman received the Extra Mile Award for August. Ms. Freeman is an instrumental part of our work family. She has single-handedly managed school registrations with kindness and professionalism. For the 2021-2022 school year, she has enrolled over 450 students! She also assists post-graduate students with transcripts, assists Pre-K parents with questions, and willingly helps her coworkers with tasks. It is amazing to watch her interact with parents and families while multitasking in order to provide quality service. What she brings to BCSS is priceless.
