

ART II Course Description / Syllabus

Transcript Designation B

Course Code:

Grade Level: 10, 11, 12

Length of Class: Year Long

Credit: 1 Fine Arts

Prerequisite: the completion of one year of ART I, or similar foundational art class.

This course is a second level course to follow successful completion of Art 1. Students will build on the skills they developed in Art 1 continuing their work on drawing, painting, oil pastel, printmaking and individual projects. Students must be prepared to complete a minimum of 2.5 hours of sketches outside of the classroom each week. Art criticism and a group project will round out the work in this class. The focus of the group project will be the production of a yearbook for LHHS. Students will be using their own creative work to establish the theme of the yearbook. Modest materials fee may be required. A small supply list may be given and required daily.
