28	\$71,611
29	\$72,018
30	\$72,423

The salaries outlined are for 10-month employment during the 2024-2025 academic year. Each salary plan is subject to annual review and approval by the Board of Trustees. An additional \$1,000 is granted for a Master's Degree and \$2,000 for a Doctoral Degree. However, these degree differentials do not apply to roles that already necessitate an advanced degree.
