Volume 31, Issue 1

Dear Sweetwater Families,

It has been an amazing first couple weeks of school, and we are in full sail! As we embark on this exciting new school year, I want to extend a warm welcome to each and every one of you! This year, our theme is "Navigators of Knowledge," a reminder that we are all on a journey of discovery, learning, and growth. Together, we will explore new ideas, navigate challenges, and chart a course for success for all students.

As we continue to soar to new heights, I am very proud to share that Sweetwater is a high performing "A" school. I want to express my gratitude for your continued support and partnership as that has such a positive impact and makes all the difference. Our talented and dedicated team of teachers/staff are so happy to have your children back on campus and to support their growth and learning each and every day.

Thank you for your patience with the new safety and security procedures. The students are adapting and everything is going well. Safety is our number one priority. Please make sure you join one of our social media platforms, so you are kept updated. When I create my Sunday messages, you may notice I am talking really fast!!! That is because our new communication tool only allows for 60 seconds and then it cuts off. So, I try to get as much information to you as possible in that timeframe. Watching social media or visiting our website can provide additional information.

This year promises to be full of opportunities for discovery, creativity, and academic excellence. We are committed to providing a safe, nurturing, and stimulating environment where each child can thrive. Our goal is to foster a love of learning and to help every student reach their full potential.

We are thrilled to introduce our newest member to the pelican family ~ Our service dog, Reecy . She finished her training and certification recently and will be joining us September 11th. Reecy is an Aussiedoodle, a little over a year old, and she loves it when children read to her! Be on the lookout for her picture on social media in the next several days. Additionally, I will be sending home papers explaining her role in our classrooms and on campus. There will also be an opt out form that can be returned. We are excited to welcome her to our pelican pod.

Thank you for entrusting us with your child's education. We encourage you to stay engaged and involved in your child's education, as your partnership is key to their success. Together, we will make this year a memorable and successful one for all. WATCH US SOAR!

Respectfully, Mrs. Melissa Fraine Sweetwater Principal

Sweetwater Mission Statement

We, the caring community of learners at Sweetwater Elementary, strive toward a lifetime of achieving our "personal best", guided by a positive attitude in a nurturing environment.

Volusia County Schools Mission Statement

"Through the individual commitment of all, our students will graduate with the knowledge, skills, and values necessary to be successful contributors to our democratic society."

Arrive Before 7:50

This is a reminder that students must be IN their classroom by 7:50. We have supervision on campus beginning at 7:20, and the first bell rings at 7:40, for

them to enter their classrooms. Please leave home early enough so that you are not caught in traffic! Thank you!

Welcome back to school! We hope that everyone had a healthy, active summer. A few reminders for a successful year in P.E. are:

1. Please make sure your child wears sneakers to P.E. This is a requirement. For safety reasons, students wearing shoes other than sneakers will **not** be able to participate in PE activities. Sandals, Crocs, boots, etc. do not provide the necessary support and traction.

- 2. Please make sure your child dresses appropriately for the weather. It is very hot outside, so jeans and long sleeves are not the optimal P.E. attire until the cooler weather arrives.
- 3. Encourage your child to drink plenty of water during the day and at lunch. Proper hydration is very important in this heat.
- 4. If your child has an injury or illness that prevents them from participating in P.E., please send a written note so that we are aware. If he/she doesn't have a note, then participation is expected.

During students' first week of P.E., we discussed our P.E. expectations, rules, and consequences. We have a lot of FUN while learning during our P.E. classes, but we are very mindful of students' safety and always expect students to display their best Sweetwater behavior. Our consequences are as follows:

- 1. Warning
- 2. Time-out from the P.E. activity to reflect on what behavior needs to be corrected.
- 3. If a behavior isn't corrected after a warning and time out, your child will come home with a yellow P.E. note to be signed by a parent/guardian and returned the following day. Please discuss with your child what is expected and acceptable behavior during P.E. A student will not be allowed to participate in P.E. until we receive the signed note.
- 4. Office Referral

We are looking forward to a fantastic year and greatly appreciate your support! Coach Cooney, Coach Meadows, and Coach K:)

Welcome Back to the Pelican Nest!!

The books missed you, and so did Elfis, Buddy Mrs. O and Ms. Gruenewald!!!

The Pelican's Library is already off to a great reading start with Accelerated Reader up and running, SSYRA books under way, and dog tags on the way! We are excited to start a new year of learning, growing and reading!

Parents!

Stay involved with Accelerated Reader by getting notifications to your device!

I know that it may be hard to balance your child's technology use with our busy schedules, but here is a great list of resources that live in your child's vPortal account. The Classlink app is your child's one stop shop for great learning programs that we use right here is school!

eptPPTo download the app, follow the following instructions.

WELCOME TO OUR COUNSELING INTERN, MS. STOUGHTON!

Hello everyone! I'm Ms. Stoughton, and I'm so excited to be back in Volusia County where I grew up and started my career in education. I went to the University of Alabama and have been teaching for six years now. For the past three years, I've been teaching in Georgia, where I've had so much fun helping students learn and grow. When I'm not in the classroom, I love to read books and enjoy spending time with my dog Fisher, especially taking him to the beach. I can't wait to join the Sweetwater Elementary family as a School Counseling intern!

For Parents

- If you drive your children to school, drop them off and pick them up in the designated drop-off/pick-up area identified on each campus.
- Be especially alert for student drivers on high school campuses.
- When turning at an intersection, be sure to yield to pedestrians and cyclists.
- If your child is walking to school or a bus stop, plan a safe route and make sure your
 child knows the route and can navigate it safely. Choose the most direct route with
 the fewest street crossings. If a school crossing guard is available, be sure that your
 child crosses at that location. If your child is young or is walking to a new school,
 walk the route with them beforehand and continue to walk with them for the first
 week or so until they feel comfortable with the route.
- Do not use a cell phone while in the school zone or on campus.

For Students Who Ride the Bus

- Stay out of the street while waiting for the bus.
- Wait for the bus to come to a complete stop and the doors open before approaching the bus from the curb.
- Make sure you remain in clear view of the bus driver.
- Look both ways before crossing the street to get on the bus.
- After getting off the bus, look both ways and then move immediately onto the sidewalk and out of traffic.

For Walkers/Bike Riders

- For bike riders, wear a helmet at all times. Research shows that this simple act can reduce the risk of head injury by up to 85 percent.
- Bike riders should ride on the right, in the same direction as traffic, and use appropriate hand signals. Bicyclists also should respect traffic lights and stop signs.
- · Walk or bike with a friend. It's safer that way.
- · Walk on sidewalks where available.
- Always cross at intersections not mid-block.
- Both bikers and walkers should wear bright clothing to make them more visible to drivers.
- To avoid distractions, bikers and walkers shouldn't use a cell phone or headphones while riding or walking.
