

Annual Report

2019-2020

Letter from Board Chair

As I look back to the start of 2020, I realize none of us could have imagined the incredible challenges we would face this year. Along with the world at large, COVID-19 forced Benilde-St. Margaret's to rethink every detail of our operations to protect our community. In a matter of months, we established an entirely new educational paradigm, re-engineered our technological infrastructure, and adjusted to new daily routines.

The ingenuity and tireless dedication that our faculty, staff, and administration have demonstrated throughout the pandemic is nothing short of inspirational. Facing the unknown each day, they are showing up and delivering on our mission to educate and empower our students.

Concurrent to the challenges brought on by the pandemic, we were confronted with the reality that many of our current and former students have not found BSM to be the welcoming, supportive place all in our community want it to be. What we owe those students is much more than an apology – we owe them real change.

We have already taken several important steps in our diversity, equity, and inclusion (DEI) work – such as hiring a consultant to conduct an organizational assessment and establishing a board-level committee for DEI – but we acknowledge there are many more strides to make. We will continue with our efforts until every one of our students feels a genuine sense of belonging at BSM.

None of this work would be possible without your generous financial support. Last year alone, your gifts totaled over \$3 million to support tuition assistance, academic programs, and facility enhancements. It is this partnership that allows the BSM community to grow, adapt, and remove barriers so that our students can thrive.

The strength of our partnership with you is also evident in the health of our fiscal position. We began the 2020-2021 school year with wait pools in every grade, and enrollment numbers for next year already look strong. We will soon complete the capital campaign that supports the construction of a new collaborative learning space for students. The Cube – or center for curiosity, creativity, and collaboration – is set to open at the end of the year.

So there are challenges, but there is also reason for incredible optimism. The lessons of the past year have shown us that we still have work to do, and they've reminded us of the extraordinary strength and resiliency of our community. Join me in gratitude for the blessings our Lord has bestowed on us – for the teachers and staff who work tirelessly to inspire our students in the midst of a pandemic, for our students who are committed to rigorous growth, for our parents and guardians who guide and inspire, and for the voices of every Red Knight, past and present.

On behalf of the board, school leadership, and our entire community – thank you for your generous support of Benilde St. Margaret's.

With gratitude,

Jim Vogl,
Board Chair

this important
project.

architectural design rendering

C³ or the "Cube," a new experiential learning facility in the heart of BSM, will foster curiosity, creativity, and collaboration.

Most students learn by doing, which is why the Cube is designed to provide a learning environment that allows students to engage their passions and take ownership of their studies. This space will prepare BSM students for the challenges and opportunities of a fast-changing world. For more information, visit the BSM website at www.BSMschool.org/center-collaborative-learning.

Construction on the Cube began in June 2020, and the new space will open in December 2020. The Cube is located immediately north of the chapel between the west hall and the commons/cafeteria.

Corporations, Foundations, and Organizations

Many businesses and philanthropic organizations support our school's educational mission through gifts to the Annual Fund, to endowed and capital funds, to student scholarships, and to specific departments, programs, or student activities, including in-kind gifts of books, equipment, and other educational materials. In addition, many corporations match gifts to Benilde-St. Margaret's by their employees. We are grateful to the organizations listed below that are partners in providing a quality education.

A Knight for All Seasons Supporters

Benilde-St. Margaret's is more than a school; it is a community. Our *A Knight for All Seasons* auction plays a vital role in fostering the sense of community and reinforcing ties among fellow parents, alumni, faculty and staff, and friends of BSM. Additionally, this event provides vital funds to the school's operating budget each year. Last year our *A Knight for All Seasons* auction provided general operating support for the school as well as tuition assistance for our students. We are grateful for the individuals and organizations that contributed to making our evening such a success.

Virtual Grandparents' Day 2020

Grandparents from near and far celebrated BSM's first virtual Grandparents' Day on September 25. A short program included a welcome from President Adam Ehrmantraut and current grandparent and past parent Joe Mucha. The program was followed by Mass in the BSM chapel celebrated by Fr. Tim Wozniak '66. The program and liturgy were recorded and are still available on our website at www.bsmschool.org/grandparents-day. Thank you to all the grandparents who tuned in and who have supported this event in the past. We hope to see grandparents in person next year.

Vickie and Lewie Olson watch the virtual Grandparents' Day Mass at home.
