Letter From the Board Chair

This is an exciting time for Benilde-St. Margaret's. We're in the midst of celebrating our 50th year and the many notable events over the past year are reminders of why it's a great time to be part of the BSM community.

Most recently, we welcomed alum Danielle Hermann '03 back to BSM as our new president. Danielle comes to us with a wealth of experience and an inspiring vision that ensures BSM will remain the premiere college preparatory school in the Upper Midwest for years to come. We are blessed to have Danielle return and lead us.

In the past year, we also established an Alum Board to nurture the connections between our thousands of alums from St. Margaret's Academy, Benilde High School and BSM and also with our current Red Knights. As alums, each of you represents what our faculty and staff strive to provide for every current and future student - a thirst for learning, a passion for excellence, and a commitment to contribute in meaningful ways to society.

We live in a fast changing and ever more digital world which doesn't always value personal connections. Yet, BSM remains firmly committed to providing students with a broad array of innovative classroom and co-curricular activities and athletic experiences that connect them with teachers and classmates in meaningful ways.

As Astronaut Mark Vande Hei '85 said during his visit to BSM in September 2022, "I was really reminded today that I'm part of a community - one with a legacy of having really enthusiastic students with a lot of potential." This sense of community and innovation are part of the DNA at Benilde-St. Margaret's, and the expansion of the EPIC internship program this year is another of our success stories.

These authentic learning experiences place students in real world situations where they contribute to projects that other students are only able to experience in college. BSM students are encouraged to be curious and passionate, and to use critical thinking in their efforts. All of this is possible because our students are known and welcomed for who they are and what excites them. This personalized approach sets BSM apart as a school, and is a major contributor to what families want for the development and enrichment of their children.

The financial commitments made in fiscal year 2023 are among the best in the history of our school. Thank you for ensuring we can bridge the gap between our tuition revenue and the cost of our programs, and continue to offer the high-quality, holistic education we're known for. Your financial support also means more families can be part of the Red Knight community thanks to the available \$1.9 million in tuition assistance.

BSM continues to deliver an enriching educational experience for students of all backgrounds, and we do it in a faith-based setting with a focus on teaching the importance of character, integrity, and fortitude in addition to academic excellence. While my time as board chair has ended, I will always be grateful for the positive impact this community has had on my children and my family. I invite you to join me in giving thanks for the blessings God provides for BSM.

Here's to the next 50 years of success at Benilde-St. Margaret's.

With gratitude,

Laura Portz
2021-2023 Board Chair

These gifts exemplify the donor's regard for Benilde-St. Margaret's and for the colleagues, friends, or family members honored here. Knight for All Seasons Supporters

Our annual *A Knight for All Seasons* gala plays a vital role in fostering the sense of community and reinforcing ties among fellow parents, alums, faculty and staff, and friends of BSM. Additionally, this event provides vital funds to the school's operating budget each year. Last year our *A Knight for All Seasons* auction provided general operating support for the school as well as tuition assistance for our students.

We are grateful for the individuals and organizations that contributed to making our evening such a success.

Support the *Fund-a-Need* campaign

The *Fund-a-Need* campaign at Benilde-St. Margaret's addresses the tuition gap of approximately \$2,500 per student, a total of nearly \$2.8 million each year. *Fund-a-Need* also ensures BSM is able to provide additional tuition assistance to more than 17% of our student population.

You can support this important initiative by making a tax-deductible donation to the *Fund-a-Need* campaign before December 31, 2023, keeping a BSM education accessible for every Red Knight.
