# JERICHO SEPTA DONATION

SPECIAL EDUCATION PARENT TEACHER ASSOCIATION

## PLEASE CONSIDER DONATING TO SEPTA.

Jericho Special Education Parent Teacher Association's (SEPTA) mission for the past 26 years and counting is to ensure a quality education and programming that enriches and supports not only special education students but ALL students and their families in the Jericho Community.

Donations, of which 100% that is given goes directly to SEPTA, from our community members enables us to present programming for all our students and parents in our schools. Your support through donations and membership help SEPTA continue programs for our students to help them thrive within our community.

These include life skills and vocational training to help transition students to adulthood and obtain gainful employment. Additionally, we are piloting a new social skills program with Buddies, which focus on building inclusive peer friendships.

Your Membership dues and donations allow SEPTA to provide College scholarships to well deserving HS seniors. To be eligible to receive a SEPTA College Scholarship, at least one individual per family MUST be a Jericho SEPTA member by January 31, 2025.

Our grant program has given funds for new programs and equipment benefiting both special education and general education students. Grants for many district-wide projects including:

- Café 126
- Cool Beans Café
- JMS Coffee Cart
- Touch screen monitors
- iPads
- A puppet theater
- Solar energy kits
- Cooking items
- Digital cameras
- Many more amazing items for special projects in ALL schools
- Workshops and presentations
- Teacher grants and student scholarships

Please consider donating to SEPTA so we can successfully continue our efforts to serve the educational needs of ALL Jericho families.
