

YOUTH & GOVERNMENT

Be a part of the solution! YMCA Youth & Government is a program where students can come together to discuss current events and issues important to them and the community, all while working on public speaking, leadership, and respectful debate. YMCA teen leadership programs teach confidence, friendships, and skills critical to healthy youth development that will last a lifetime. The program ends with the Teens going to Olympia and testing their skills and bills that they have been working on at the state capital.
