Principal Message Home Resources

Cardinal Families,

This week is a busy week in the life of our school. I have so much to share and I can't wait for us to engage in another week of learning together. To help all of us get ready I ask for you to carefully review the events in this newsletter as well as the upcoming dates.

I that our families consider coming out to our PTA general membership meeting either in person or virtually. In addition to being a part of the exciting work and partnership of our PTA I will plan to share more information about our school improvement plan. I would appreciate feedback and questions from our families.

What to expect on picture day

- 1. When an order is placed online, the parent/guardian will receive a camera pass via email. This can either be printed or texted to the student and brought to picture day. The photographer will photograph the printed camera pass along with the student.
- 2. If a student is not able to print their camera pass, that is not a problem. We will match up the student to their order manually in the production process.
- 3. A parent may order from the flyer up until 24 hours after picture day. After 24 hours, the online ordering access may close. This will allow our imaging team to "Pull" all orders submitted and match them with the students photographed.
- 4. When pictures are returned to school, all students that purchased pictures will receive their prepaid package. Any student that was photographed but did not order a package, will receive a "Proof" (PX) of their picture that was taken on picture day.

All proof packages offer parents a second opportunity to order prints.

All orders sent to personal addresses are subject to shipping and handling costs of up to \$8.50 and will be shipped directly to home.
