Checking Grades, Teacher & Schedule in ParentVUE
ParentVUE Guides
**Higley Unified School District #60**

Overview
Parents can check their students' grades, teacher assignment and schedule using our online parent portal called ParentVUE.

Accessing Academic Student Information
To view your student's academic information, you can do so by logging onto your ParentVUE account by logging onto the ParentVUE app or by visiting https://parentvue.husd.org/. If you do not have access to ParentVUE, see the **Setting Up ParentVUE Account Guide**.
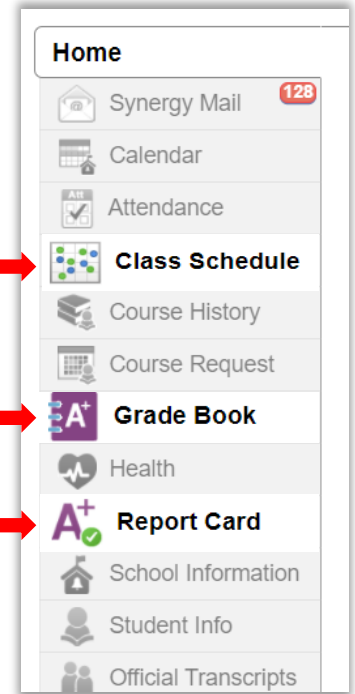

Grades Tab
Your student's grades can be accessed by clicking on the **Grade Book** tab on your ParentVUE home screen.

On the **Grade Book** screen, the top section shows you the classes your student is currently taking and what grades they are receiving. These grades are live and updated daily as teachers enter them.

You can see previous grading periods by selecting them from the drop down to the top right of the screen.

The bottom section called **Recent History** shows recent grades posted. You can select these individual entries and it will expand to show more details.

Report Card Tab
Your student's report cards can be accessed by clicking on the **Report Card** tab on your ParentVUE home screen.

On the **Report Card** screen, you can see your students report card as of the last grading period. This is a screenshot at the end of a grading window. You can see previous report cards/progress reports by selecting a different term in the drop-down menu next to **Student Grades**.

Class Schedule Tab
Your student's teacher assignment or schedule can be accessed by clicking on the **Class Schedule** tab on your ParentVUE home screen.

On the **Class Schedule** screen, you can see your student's current schedule which includes the time of class, teacher's name, the room number and a link to email the teacher.

You can toggle between quarters/semesters by clicking on the link to the desired term on the top right.
