

# Reviewing Acknowledged Documents in ParentVUE

## ParentVUE Guides

### Higley Unified School District #60

## Overview

As part of the online enrollment process, parents are asked to review and acknowledge various documents. Once you have acknowledged these documents, you can access them at a later date to review them. Parents can do this using our online parent portal called ParentVUE.

## Accessing Acknowledged Documents

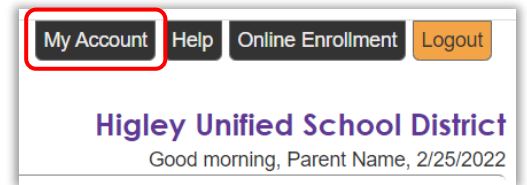

To view your acknowledged documents, you can do so by logging onto your ParentVUE account by logging onto the ParentVUE app or by visiting <https://parentvue.husd.org/>. If you do not have access to ParentVUE, see the **Setting Up ParentVUE Account Guide**.

## Documents Tab

You are able to view these acknowledged documents by clicking on the **My Account** tab on the top right of your ParentVUE home screen.

On the Account Information screen, scroll halfway down to the **Acknowledged Documents** section. In this section, you will see all the documents you have viewed and digitally acknowledged through the ParentVUE app.

In this section, you can see what date and time you acknowledged these documents. You can also review the documents again by clicking on the link, which will download them as a PDF for you to review and/or print.
