The Seaholm Community

Ernest W. Seaholm High School is one of the Birmingham Public School District's two comprehensive high schools for grades 9-12. Seaholm is among the most competitive high schools in the state, public or private. Nationally, Seaholm ranks among the best high schools in the country. The community of business owners, professionals and industry leaders place an extremely high value on education. Seaholm parents expect the best possible learning environment and a rigorous curriculum that prepares students for a successful future. Birmingham Public Schools is located in southeast Oakland County and is comprised of ten large residential communities with a combined population of 80,000 persons.

Advanced Placement Courses

In May 2024, 419 students took a total of 854 AP exams.

AP courses are traditionally taken during junior and senior year except US History which is taken sophomore year. BPS does not limit the number of AP courses a student can take.

Class Rank, GPA & Graduation Requirements:

Birmingham Public Schools offer a comprehensive college-prep curriculum on a 4 point scale. Honors (H) and Advanced Placement (AP) courses are weighted one additional point in GPA for grades "C" and above. BPS does not rank students.

A total of 26.5 credits are required for graduation and the specific requirements are as follows: English 4 credits, Math 4 credits, Science 3 credits, Social Studies 3 credits, World Language 2 credits, Health .5 credit, Physical Education .5 credit, Visual / Performing / Applied Arts 1 credit.

Seaholm does not have specific graduation requirements for community service. However, most students spend many hours in the community giving of their time and talents at various organizations and for various causes.

Semester system:

Birmingham Public Schools has shifted from a trimester to a semester system starting in the 2024-2025 academic year. This change provides students with more time to engage deeply with course material, as each 18-week semester is now worth 0.5 credit, with most academic classes running the full school year. Some courses are a single semester and earn 0.5 credit, while 9-week classes, which are paired by semester, receive 0.25 credit each. Many of our core courses and all Advanced Placement (AP) courses span the entire year and are worth 1.0 credit.

The Flex Program

Flex is an honors ELA/Social Studies program for students who seek to take ownership of their learning. Students within Flex are intellectually curious, compassionate, courageous, and civically engaged. The Flex curriculum is organized into a four-year cycle of study focusing on American, global, Western literatures and studies, and the study of cultural and literary anthropology. Each year integrates an understanding of literary, historical, economic, aesthetic, and cultural understandings. Day-to-day activities in Flex are divided into several components that include counseling group, core, seminars, electives, advanced placement, writing group, economics, and American Government. Flex is team-taught by both Social Studies and ELA teachers in a two-hour block format. Instruction within the program will be provided for students interested in taking the following Advanced Placement exams: Language and Composition, Literature and Composition, Economics, US Government and US History. The Flex program has been a part of the Birmingham Community since 1964.
