General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DATAQUEST
California DEPARTMENT OF EDUCATION

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard 	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The students at Bel Aire Park Magnet School are served by 16 credentialed full-time teachers and a support staff that includes an Intervention Specialist, a Resource Specialist, a PYP Coordinator, part-time music and PE specialists, speech therapists, a part-time school psychologist, a part-time counselor, part-time social worker, and nurse, a bilingual community liaison and two instructional assistants. Bel Aire Park is an International Baccalaureate World School authorized to provide its Primary Years Program to all students. These are schools that share a common philosophy—a commitment to high-quality, challenging, international education that Bel Aire Park believes is important for our students. The program uses student-driven inquiry as a stance for instruction and includes opportunities for students to build understanding through hands-on, exploratory learning in a caring, supportive environment. In 2018, a Communications and Media theme was added to the school program with the help of a federal magnet grant. Students participate in three strands of communication-themed learning - Global Communication/Media, Artistic Communication, and Interpersonal Communication. The campus is a community-orientated facility – used after hours for childcare, adult education classes, and baseball, soccer, and football leagues.

Mission Statement: Bel Aire Park community will work collaboratively to provide meaningful, authentic learning experiences that

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Bel Aire Park School was constructed in 1958. Portable classrooms were added over the years to attain its current size of 32 classrooms, including childcare. In the summer of 2001, building interiors were upgraded and a new kindergarten room, library, and instructional/office space for support staff were constructed. A new playground was completed through the combined efforts of the community, staff, and parents in spring 2002. Garden areas have been established through the efforts of parents and community support. A new multi-use room and renovated library were completed in the summer of 2006. Each classroom has full WiFi access to the internet through a variety of devices including Chromebooks, ipads, and desktop computers. In the summer of 2013, the school buildings and structures were retrofitted for earthquake safety. In 2020 Bel Aire received new HVAC and roof.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	42	47	27	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are educated about programs and their roles through participation in the School Site Council (SSC), Family Faculty Club (FFC), and English Language Advisory Council (ELAC), Kindergarten parent/student orientation, monthly school meetings, grade level unit presentation events, a monthly newsletter, and teacher-parent communication through classroom newsletters. Parent participation in classrooms is strongly encouraged and parents can share their expertise in the variety of units of inquiry taught each year. Parents are invited to attend Back-to-School Night in the fall and Art Faire/Open House in the spring, as well as periodic student-led conferences, and school-wide events. The FFC sponsors several family fun events throughout the year. For further information on parent involvement opportunities, please contact Kim Title @ 707-253-3775

2023-24 School Safety Plan

The annual review and evaluation of the school comprehensive safety plan which is certified by the members of the School Safety Planning Committee, the School Site Council President, and the school Principal before being presented to the Board of Trustees for final review and adoption by 12/15/23 and shared with the whole school staff. This review includes the following components:
Child Abuse reporting procedures
Policies pursuant to Education Code 48915(c) and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations
Procedures to notify teachers and counselors of dangerous students
Sexual Harassment Policy
Safe ingress and egress to and from school
Rules and procedures on school discipline in order to create a safe and orderly environment conducive to learning
Dress Code
Routine and emergency disaster procedures including natural disasters, human-created disasters or power outages

The plan will be made available to all staff, students, parents, and the community to review in the school library and the main offices.

Professional Development

All staff participates in professional learning for school-wide instructional strategies and California Standards for ELA, Math, and English Language Development (ELD). Student performance and progress are continually assessed to determine the area of focus. For the 2023-24 school year, the major areas of focus are Multi-Language Learner literacy instruction specifically in Language Arts focused on quality discourse and writing. Another area of focus is teaching and learning through the inquiry model with teachers participating in ongoing work to enhance and broaden inquiry opportunities in the classroom. There is on-site coaching and support from the principal and International Baccalaureate Coordinator. Teachers are generally led through a lesson study cycle each trimester to examine practices, collect data, and debrief the effectiveness of instruction. All staff development is aligned with the larger context of the International Baccalaureate Primary Years Program and the needs of students.
