2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Description: The students at Browns Valley School are served by 22 fully-credentialed, full-time highly qualified teachers and support staff that includes an Intervention Specialist, Social Worker, Parent Liaison, Resource Teacher, PE, and Music Specialists, Speech Therapist, School Psychologist, Nurse, Library Tech, Art/Garden/Science Enrichment Instructors. Our Enrichment Program provides students with a well-rounded education that students from all socio-economic and cultural backgrounds thrive. Project Based Learning, collaboration, movement and mindfulness, Peace Corners, and the focus on student learning make our classrooms engaging. Annual funds are allocated to upgrade our classrooms. Our Monthly Character Traits allow students to practice positive traits to live by in our learning environment. We always make decisions on "What is Best for Kids!"

Browns Valley School has been on this site since the 1800's. Our attendance area includes suburbs, farms, vineyards, open enrollment, and remote residences located on Mt. Veeder. We have a STEAM room, library, a school garden, a native Napa plant garden, and one to one devices so students can easily access technology as a learning tool. Our school is an integral part of the Browns Valley community, supported by over 200 parent volunteers, school-based groups such as the Browns Valley Family Club, Juntos Unidos, Junior Achievement, Scouts, 4-H, and extended daycare. We have high expectations for our students, who go on to higher levels of education, making us proud of their accomplishments.

Mission Statement: At Browns Valley School, we believe that we must provide our students with the knowledge and skills essential for them to be cooperative, involved, and productive members of a diverse society. Our most important shared understanding is that the accomplishment of our goals cannot be fully attained without a total commitment to each child's education by teachers, parents, and the students themselves. "What is Best for Kids!"

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The main buildings were constructed in the early 1960's. In the summer of 2006, a new multi-use building, restrooms and drinking fountain were constructed with funds from Measure G. Several years ago upgrading of the technology wifi system was completed. With the participation of the Kiwanis Club and Browns Valley Family Club, three playground structures were built in 2000 and 2011. Each classroom has ample technology for student access with 1 to 1 devices. A library building was purchased by the BVFC in 1997 to ensure the school would always have a library for students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	52	46	27	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are informed about programs and their roles through; Parent Square, school happenings and updates through our Bear Facts newsletter, a new school website, email, and by participating in the Browns Valley Family Club, School Site Council, or English Learner Advisory Council, and Parent Education Classes. Parents volunteer in classrooms, help in the office, school garden, supervise at recess, make classroom presentations, and go on field trips. Opportunities are available year-round. Our fundraisers involve many parent volunteers and raise funds for enriching and enhancing education for each and every student. Parents play important roles on campus in our art program, after school enrichment classes, school plays, school events, and in leadership roles. We value parent input and listen to all stakeholders. For further information on parent involvement opportunities, please visit or school website at <https://brownsvalley.nvusd.org/>.

2023-24 School Safety Plan

A school-wide focus on safety, health, and well-being has resulted in a positive and safe campus. Grounds are kept litter-free and supervised by a full-time day custodian and two evening custodians. Inspections by the Napa Fire Department address code compliance and assure that facilities are safe for students and staff. We use BEST practices to support our safe learning environment. Our Comprehensive School Safety Plan addresses all components of SB187, including biannual Crime Reports, Student Discipline, Sexual Harassment, Dealing with Dangerous Pupils, Crisis Response Plan, Dress Code, and Alternative Programs. The plan is reviewed annually by the Site Safety Committee that includes staff, parents, and representatives of law enforcement. Emergency packs have been supplied for each classroom which includes food, water, and first aid supplies. Evacuation drills are held monthly. School rules are published in August. During the first weeks of school, teachers and the principal explain policies about student safety, playground, rules, classroom behavior, bullying, and harassment. Our comprehensive Student Management System follows the NVUSD Board Policy and Administrative Regulations interventions, corrective measures and actions, and school-based consequences. Students are respected, supported, and thrive under these conditions of a highly effective and safe school climate and culture. The Browns Valley School Safety Plan was approved by the School Site Council on November 16, 2023.
