2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Redwood Middle School, built-in 1957, has an enrollment of approximately 880 students that incorporates the 6th, 7th and 8th grades. Redwood meets the needs of middle school-aged youth through the concept of teaming, a unique way that results in a school within a school. setting. We have 6 teams two at each grade level. Teams are where the core academic teachers share a group of students in common. Academic teams are named after colleges that are nearby. We have the Cal Bears, San Jose State Spartans, UC Davis Aggies, Sonoma State Seawolves, Sacramento State Hornets, and Stanford Cardinal team. This has been a strong structure that has been in place for the past thirty years.

We believe that it is our fundamental mission to provide an enthusiastic, safe and caring environment promoting academic excellence, social, emotional well-being, and independent thinking; a quality and challenging education to all our students to prepare them for a global society by focusing on career goals, appropriate technologies, tolerance towards and respect for diverse cultures, beliefs and lifestyles; opportunities to learn the skills using strategies that are individualized as needed, to enable students to respect themselves and others. Our Core Values are: "Be Respectful, Safe, Responsible, and most importantly, Be Kind."

Our school vision, "Redwood Middle School is a rigorous, academic learning community built on caring and personal relationships, where all adults and all students collaboratively and passionately achieve their highest potential allowing all students to realize their post-secondary dreams."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	1.60	0.50
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.60	0.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.50	2.00
Total Out-of-Field Teachers	0.50	2.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	6.5	2.7
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

Redwood, constructed in 1957, has had classrooms modernized twice, a second gym built, an all-weather track and infield installed and the front of the school has been completely re-landscaped. The roof of the larger gym was replaced over the summer of 2022. Technology includes full connectivity from each classroom to 2 student servers, 1:1 student chromebooks, two mobile wireless laptop carts with 36 laptop computers for academic testing, presentations and ongoing technology training, a video lab for video production. School clubs and parent organizations continue to landscape and beautify the grounds. The school has two sets of bathrooms, in addition to the restrooms in the larger gym attached to the locker rooms. The cafeteria is designed to serve both as an auditorium as well as a cafeteria, with a divider that can split the room into two. The school is 5 different halls, A, B, C, D, E, and F, with the majority of classes in the A, B and C wing.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	19	21	27	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

"Every Parent a Partner" describes our focus and goal of promoting a positive parent/community partnership. Parents are highly involved through the Parent Faculty Club, School Site Council, English Language Advisory Committee, and our Orientation Family nights. Countless volunteer hours are dedicated to running the student store, providing supervision on campus, at dances, for special events and on field trips, newsletter production, several fundraisers, library assistance, and technology, just to name a few. Opportunities are available for anyone at any time. For further information on parent involvement opportunities, please contact Peter Hartnack, Principal at 707-253-3415. We also have a Parent & Community Liaison, Vilma Ledesma who is bilingual. Her contact information is Vilma_Ledesma@nvusd.org; the Office number is 707.253.3410.

2023-24 School Safety Plan

A focus on student well-being has created a positive and safe school campus. Inspections by the Napa Fire Department assure that facilities are safe for all. Our Comprehensive School Safety Plan (CSSP) addresses all components of SB187. The Site Safety Committee reviews the CSSP annually. The PBIS committee meets monthly to review student discipline data and make recommendations on restorative discipline procedures to foster a positive learning environment for all students. Emergency equipment and first aid kits are available to all, including on field trips. Evacuation drills are twice a year and school staff explains policies about safety, all behavior expectations, bullying, and harassment during the first week of school and frequently throughout the year. Discipline follows the NVUSD policy. Many staff members are first aid/CPR certified through the Red Cross. The staff ensures safe ingress and egress to the campus at all times. The Safety was approved by the School Site Council on October 17, 2023.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). Professional Development

Professional development is delivered through the use of staff meetings that occur twice a month for two hours. This year there is a focus on an Ecosystem of Cariño, safety, and Academic Learning Sprints. We also have daily PLC time for either content or team 5 days per week. The emphasis of professional development centers on the development of inquiry-based teaching and learning to align with the district goals and to support the California State Standards. Data analysis is also a current theme at staff meetings. High functioning Professional Learning Teams or Content Teams (as they are referred to at Redwood) exist in math, language arts, science and/or social studies, physical education, and visual and performing arts. These teams have time scheduled weekly on Wednesdays which are an Early Release for students at 1:30. Planning days during the school year are used for the content teams to align curriculum and implementation, design common, formative assessments, analyze data, plan an effective lesson, and design re-teaching opportunities when needed. Finally, staff members participate in workshops specific to their curricular area of expertise.

This table displays the number of school days dedicated to staff development and continuous improvement.
