West Park Elementary School

2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Mission:
West Park is a community of lifelong learners focused on high expectations for all. West Park teachers take pride in providing our students with the best educational opportunities possible. We are committed to supporting our students in their academic, social and emotional growth. Our highly experienced teaching staff uses a variety of instructional practices to engage and support all students. West Park is a community that leverages Positive Behavior Interventions and Supports (PBIS), including BEST practices for student behavior and learning, social-emotional curricula (Toolbox and Second Step), and Restorative Justice practices to create an inclusive, learning-focused culture. West Park teachers engage in shared leadership to shape and participate in professional development through our various school teams: instructional leadership team, culture and community team, and grade band learning sprint teams. The goal of this structure is to create authentic, relevant, and self-directed adult learning to increase student achievement. Our expectations are that all students will be safe, respectful, responsible and kind as they become independent members of the wider community. Student successes are celebrated and recognized at school-wide monthly assemblies.

The students at West Park Elementary are served by 10 fully-credentialed full-time classroom teachers, 2 credentialed SDC teachers, and a support staff that includes an Education Specialist, a 60% Intervention Specialist, 4 music (K-5) specialists, 6 PE specialists (K-5), a speech therapist, part-time school psychologist, social worker, nurse, and library media technician. We also have 8 instructional assistant/Independence facilitators supporting both general education and Special Education students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Benchmark Advance English Language Arts curriculum was adopted for students K-5 in 2018-19 and Bridges Math/Number Corner was adopted in 2016. All students have access to Imagine Learning Language and Literacy and DreamBox Math. Benchmark Phonics was added in 2021 for grades K-2nd and expanded to 3rd in 2022. Additionally in 2022, we added Discovery Education Science for all grades. All students have access to all district approved materials and textbooks.

School Facility Conditions and Planned Improvements

West Park School was built in 1952 and continues to grow to meet the changing needs of our student community. The original site of seven classrooms was expanded in the early 1970s with the addition of three portable rooms (these classrooms were replaced in 2000). In 1989, further expansion occurred with the addition of one portable classroom and one Extended Day Care unit. One additional classroom was added in 1990. Another classroom was added in the summer of 1997 to expand for a primary Special Day Class. Heating and air-conditioning were upgraded in 2000-2001. A new playground was completed through the combined efforts of the PTO and our community in spring 2002. A Kindergarten playground was installed in the spring of 2003. Measure M funds made our Multi-Purpose Room a reality in the fall of 2006. Thanks to Measure H funding, seismic upgrades to classrooms 1-6, the Staff Room, and the School Office were completed in January 2018. Measure H also provided funding for Chromebooks for every student K-5 and new front of classroom technology -- Promethean Boards. In June 2019, a specially designed therapy room was added for counseling enriched SDC classes. Our Garden-of-Dreams has been renovated with support from the Whole Kids Garden Grant awarded in 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	29	26	27	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents have a variety of opportunity to participate in shaping the culture and priorities at West Park. These include the School Site Council (SSC), English Learner Advisory Committee (ELAC), and West Park Family Club (WPFC). The School Site Council works throughout the school year to take input from different segments of the school community and monitor school data to develop improvement goals, identify strategies, and allocate site funds to improve student outcomes. The English Learner Advisory Committee engages parents of multilingual learners to advocate for students and assist the school team in increasing parent engagement by offering learning opportunities for caregivers.

The West Park Family Club conducts community-building and fundraising events to provide supplemental funds in support of the school's educational mission. This includes field trips, materials and supplies, and enrichment classes. Vineyard 29, our Partner in Education, has been a key contributor in supporting our staff and students growth in all areas. Parents are also invited to volunteer in classrooms, and to serve as supervision assistants during recess and lunch, on a volunteer basis or as district employees. For further information on parent involvement opportunities, please contact Kate Linneman, Principal, at 707-253-3516.

2023-24 School Safety Plan

West Park Elementary's school-wide focus on safety, health and well-being has resulted in a positive learning environment for students. Grounds are kept clean and supervised by a full-time custodian. Inspections by the Napa Fire Department address code compliance and assure the facilities are safe for students and staff. Our Comprehensive School Safety Plan (CSSP), modeled on the Incident Command System, addresses all components of SB187 including biannual Crime Reports, Student Discipline, Sexual Harassment, Dealing with Dangerous Pupils, Crises Response Plan, Dress Code, and Alternative Programs.

The CSSP was reviewed and approved on 10/27/23 by District Maintenance and Operations and the Site Safety Committee that includes staff, parents, and representatives of law enforcement. Emergency equipment has been supplied for each classroom and for the school as a whole. Fire and/or Evacuation drills are held each semester. Teachers are also trained on how to respond to a variety of emergency situations. We implement the school-wide Positive Behavior Program/BEST. During the first weeks of school, teachers and the principal teach expectations for student safety, playground rules, classroom behavior, bullying, and harassment. Restorative Practices support student character development and develop positive approaches to conflict resolution as defined in NVUSD "Standards for Student Behavior". Our school MTSS Team monitors student behavior issues to determine when additional support is needed for students and staff.

Fiscal Year 2022-23 Types of Services Funded

We provide school-day intervention support via an 80% instructional assistant who works in coordination with our credentialed 60% Intervention Specialist. These interventions are provided to targeted students based on need in grades 1-5 and align with adopted curricula. Students are identified through the Aeries pre-intervention tracking system; struggling students receive intensive pull-out intervention. We also provide one additional library service hour each week to allow all classes access to the school library. NVUSD provides all students with licenses for Imagine Learning Language/Literacy and DreamBox Math, as well as IXL licenses for identified students with special needs.

Professional Development

2023-2024
Staff professional development focuses on Math Instruction, the Science of Reading, writing strategies, English Language Development instruction, and in-class (Tier 1) intervention for students (ELA and Math). All professional learning supports the goal of high expectations for all students. Students at West Park continue to improve in Math. Three teachers have signed up for the Language Essentials for Teachers of Reading and Spelling (a two-year course) and four have been trained in the Science of Reading. Six teachers are engaging in a Writing Revolution training series. Through our continued daily implementation of Bridges Math and Number Corner curricula, teachers in grades TK-5 continue to support students in class. Teachers work collaboratively to develop data-informed instruction groups using ESGI phonics assessment as well as additional teacher-created, curriculum-embedded assessments for ELA.
