American Canyon High School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

ACHS is in its 14th year and educates approximately 1700 students, grades 9-12. We opened in 2010 and had our first graduating Senior Class in June 2013. ACHS has a focus on rigor working toward utilizing proficiency scales and priority standards in Math and ELA. We are a 1-1 device school, with each student having access to a computer under a Cloud network. ACHS is committed to the following Vision & Mission Statement: "American Canyon High School provides a safe learning environment where all students can reach their full academic potential, develop critical thinking skills, and become responsible citizens. Through rigorous and engaging learning and a focus on diversity, equity, and inclusion, we empower our students to reach their goals, pursue their passions, and make a positive impact in their community and the world.."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.80
Misassignments	2.90	0.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	2.90	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.60	0.80
Local Assignment Options	0.20	0.40
Total Out-of-Field Teachers	0.80	1.10

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	3.7	0.3
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.8	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

ACHS is in the middle of piloting new English/Language Arts and English Language Development Curriculum. NVUSD is adding a new graduation requirement for Ethnic Studies and is in the process of piloting curriculum for this course as well as Health course. ACHS is in the first year of a new adoption for Social Studies and Mathematics curriculum.

School Facility Conditions and Planned Improvements

The facility was completed in 2010 and is in overall good condition. The school is safe and clean and provides adequate space for teaching and learning. A school bond measure is providing funds for facility technology and safety (cameras and fences) improvements. The exterior of the school is scheduled to be repainted in 2024, along with some minor updates to security cameras. There is a few minor painting needs in interior hallways, otherwise all facilities are in good repair and well maintained.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

American Canyon High School offers several Career and Technical Education (CTE) courses through the support of the Napa County Office of Education (NCOE). Our CTE courses include pathways in Career Ed, Business, Business and Entrepreneurship, Culinary Arts & Hospitality, Sports Medicine, and Sustainable Construction. Students who complete one of these CTE Pathway courses have the possibility to earn some college credits and industry certification. Our CTE classes are very popular and align with the state requirements for CTE courses.

Gillie Miller, Director of College and Career Readiness Programs for Napa County Office of Education (NCOE) oversees all of our school's CTE courses and the compliance components to the California State requirements for these Career Tech Ed courses. NVUSD Career and College Director Lisa Faith is also leading a coalition of teachers and students through a review of the district CTE programs with the assistance of ConnectEd. The goal is to ensure that our current CTE models are meeting the needs of all students and that the programs are aligned with the needs of the business and local communities.

2022-23 Career Technical Education (CTE) Participation

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

ACHS welcomes parent and community involvement through our Site Council, Go Pack Athletic Boosters and Alliance Booster Clubs (choir, academic, and band boosters). ACHS also hosts community presentation panels, grade level parent information nights, and ELAC (English Language Acquisition) meetings. For further information on parent involvement opportunities, please contact, ACHS School Principal Andrew Goff (agoff@nvusd.org).

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

2023-24 School Safety Plan

The ACHS Safety Plan was updated at the beginning of the Academic year 2023-2024, was most recently reviewed with the ACHS staff during September and October during multiple drills of various types and approved during the October 16th School Site Council meeting. SSC minutes are available online. The ACHS Safety Plan is comprehensive and available for review upon request. It addresses in detail such protocols as Fire Drills, Lock Down Drills, Shelter in Place Drills, Earthquake Drills, etc. The Safety Plan also addresses evacuation protocols, phone trees, and parent contact information. It is approved by the School Site Council.

Fiscal Year 2022-23 Types of Services Funded

ACHS is not currently in Program Improvement. Our SPSA is funded via our LCFF and LCAP; all services are funded based upon those goals. We currently fund AVID, ELD courses, Link Crew, MTSS and Restorative Practices training. We have a grant that supports a comprehensive Wellness Center, funding a full time social worker, outside contract resources, and supplies.

Professional Development

All teachers received professional development on the PLC cycle this year with an all-day Professional development facilitated by Dr. Michael McDowell. Each PLC lead also is part of follow-up check-ins with Dr. McDowell in the spring of the school year.

PLCs are in fact the primary engine of staff development and school improvement at our school. During PLC collaborative time, teachers identify essential learning outcomes for their students; they design formative assessments by which they can determine whether or not students are achieving the essential learning outcomes, and they plan instructional strategies to

Professional Development

address deficits in learning, or enrichment activities for students who are learning. PLC meets every-other week for 45 minutes.

All first- or second-year teachers participate in induction as well, and our staff includes a number of induction coaches. We also have a New Teacher Academy that meets monthly with teachers new to our site. The district also provides a wide range of staff development opportunities, including such topics as the implementation of the common core, ELD training, BEST workshops, and IA/Campus Supervisor training, in which our teachers fully participate. In the spring of 2024, the ACHS teaching staff will participate in an Integrated ELD Strategies Roadshow that will be facilitated by the NVUSD ELD coordinator.
