CONTRACT AGREEMENT
Ninth Contract for the Period Covering
July 1, 2024 through June 30, 2027**

ARTICLE 1 – PREAMBLE:

- 1.1 THIS AGREEMENT, made and entered into this 1st day of July, 2024 between the TOWN OF SCARBOROUGH, MAINE (Hereinafter “Town”), and the SCARBOROUGH PROFESSIONAL FIREFIGHTERS ASSOCIATION, I.A.F.F. Local #3894 (hereinafter “Local”), pursuant to the provision of Chapter 9-A Revised Statutes of Maine Title 26, as enacted by the Maine Legislature in 1969, entitled “An Act Establishing the Municipal Public Employees Labor Relations Law” as amended.

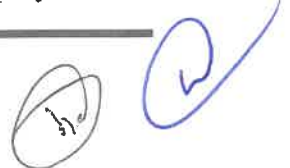

The parties mutually agree as follows:

ARTICLE 2 – RECOGNITION:

- 2.1 The Town recognizes the Local as the exclusive bargaining agent for the purpose of collective bargaining relative to wages, hours and working conditions for all full-time uniformed employees up to and including the rank of Captain, employed by the Town of Scarborough Fire Department.

ARTICLE 3 – WORKING HOURS:

- 3.1 The work week shall be an average of 42 hours per week over an eight-week period. The tour of duty (on-duty shift) shall consist of a twenty-four-hour continuous time period beginning at 8:00 a.m. and ending at 8:00 a.m. the following day. The established regular work period is 8 consecutive days as described by the following: Twenty-four (24) hours on duty, followed by forty-eight (48) hours off duty, followed by twenty-four (24) hours on duty, followed by ninety-six (96) hours off duty.
- 3.2 Both parties recognize the need for schedules that meet operational needs while minimizing risks due to personnel fatigue. Therefore, members of the bargaining unit shall not voluntarily work more than sixty (60) consecutive hours when filling shifts without a minimum 12 hour off-duty rest period. Consecutive hours worked includes regularly scheduled duty shifts, overtime shifts including duty coverage for members attending training, and swapped shifts between members. The Shift Commander may authorize a member to voluntary work additional consecutive hours during declared states of emergency.
- 3.3 During the implementation of new positions as outlined in the department’s staffing plan, the Fire Chief may create new positions with a work schedule of four twelve-hour days from 0800 – 2000 hrs. followed by four days off for the purpose of staffing multiple stations or apparatus during a single budget year. Whenever possible, any newly hired employees will

fill these positions. These positions will be converted to the work hours noted in section 3.1 as soon as additional staffing allows for 24-hour coverage.

- 3.4 Per Diem opportunities that are unfilled (16) days prior to the shift date shall be available to Full Time members. The total number of positions (minimum Full Time staffing and Open Per-Diem Shifts) eligible to be filled by Full Time members shall be a maximum of (13) on a given duty shift, not to exceed the total authorized on duty shift strength. When open Per Diem opportunities are filled by Full Time members, they shall be compensated at the rate of one and one-half (1-1/2) times their base hourly rate. The priority of assigning Full Time members filling open Per Diem opportunities shall be to provide staffing at the Public Safety Building and Dunstan to a maximum of (3) on-duty personnel at the Engine/Squad Company at the Public Safety Building and the Ladder/Engine Company at Dunstan.

ARTICLE 4 – SHIFT TRADES:

- 4.1 Member shall have the ability to trade their assigned scheduled days as needed with other members within the following parameters:
- 4.1.1 Members participating in trades, assume full responsibility for any monetary inequity that may be caused between members due to separation or changes made to shift assignments. There shall be no financial obligation to the town.
- 4.1.2 Approval of shift trades will be documented through the department's scheduling system. Trades should be approved at least 24 hours in advance, unless justified by the approving Shift Commander.
- 4.1.3 Captains and Lieutenants wishing to trade time must be credentialed to fill each other's primary role. Privates holding a paramedic license may only trade with other members of the same license level.
- 4.1.4 Shift trades will be undertaken between (2) members per trade. A shift trade must be completed within 365 days of the initial shift worked.
- 4.1.5 Can swap up to a (2) two-hours without approval.
- 4.1.6 Swaps may be denied, but with good reason (mandatory training, disaster emergency, etc.)

ARTICLE 5 – OVERTIME:

- 5.1 Hours worked in excess of those set forth in Section 3.1 above shall be paid at the rate of one and one-half (1½) times the base hourly rate. For purposes of this Section, hours worked shall include sick leave, vacation, and bereavement leave. Nothing in this Agreement shall prevent the Town from hiring personnel in order to reduce overtime.
- 5.2 There shall be no pyramiding or duplication of compensation by reason of overtime or other premium pay provision of this Agreement. If the employee comes to work on his/her scheduled day, he/she would simply work the shift (either their own or another slot on the same shift) and cancel their scheduled time off.
- 5.3 Hours worked on Thanksgiving Day from 0800 hrs. – 0800 hrs. the next day, and on Christmas Eve from 2000 hrs. – December 26th at 0800 hrs. shall be paid at the rate of one and one-half (1½) times the base hourly rate. Employees who are not regularly scheduled to work during these holiday premium times, but who voluntarily cover a shift will be compensated at double time.

ARTICLE 6 – FORCED OVERTIME:

6.1 Forced Overtime

- 6.1.1 Forced overtime will be defined as overtime caused by a vacancy in a full-time shift that is not covered by voluntary overtime and is required to maintain minimum staffing.
- 6.1.2 Forced overtime will be filled 8 days from the open shift or sooner.
- 6.1.3 Three rotating forced overtime lists (one Captain, one Lieutenant, and one Private) will be maintained by the Local President or designee for accuracy.
- 6.1.4 The Shift Commander shall utilize the appropriate forced overtime list to fill open shifts. Starting at the top and working down, the 1st employee of that job classification that is eligible and contacted, shall be forced to report to, or remain on duty. A forced employee shall be permitted to seek a substitute from another full-time member of the bargaining unit. The forced overtime coverage shall assure that a minimum of one paramedic shall be assigned to each ambulance each shift. If coverage is not obtained prior to shift change, then the on-duty employee of that job classification will be forced to remain on duty until relief coverage is obtained.

6.2 Force Notification

- 6.2.1 Employees shall be considered “contacted” when the duty officer has made voice contact by phone or face to face, or with acknowledgement from the employee through electronic means. This includes if that employee receives voice to voice contact from an officer on their next scheduled shift prior to the force date.

6.4 Force Protections

- 6.4.1** Members of the Local shall not be “forced” while on a pre-scheduled and approved vacation, bereavement, or personal day. An employee shall be considered protected after finishing their last worked shift preceding the scheduled time off, until their due day back. - 6.4.2** When an employee uses vacation time, personal time, or a shift trade of less than 12 hours, that employee shall only be protected for the following or preceding 12 hr. shift.
- 6.5** When an employee is held over for less than 2 hrs. due to a late call, it will not be considered a forced overtime situation and as such will not create a change to the forced overtime list rotation.
- 6.6** Members who have been forced, but whom refuse to come in or stay on duty, will be subject to the progressive disciplinary process and will be rotated to the bottom of the voluntary overtime list for three (3) rotations.

That employee’s name shall be placed on the “first refusal list”. Once the employee accepts an overtime that employee is removed from the first refusal list and placed back into the normal rotation.
- 6.7.2** In the event a member is forced and rotated on the force list in error or due to a canceled detail:

- 6.7.2.1** If the error or cancelation is discovered more than 14 days prior to the shift/detail, then the error will be corrected and that member will be placed back in their original spot on the force list and the appropriate member shall be forced if need be.

A member's estate shall receive 100% of accrued sick leave for a qualified line of duty death.

- 16.8 “Good standing” shall mean a written, fourteen (14) day notice to the Town in advance of the employee’s last actual day worked, in the case of a proper resignation, valid retirement, or separation of the employee from the Town service for other than cause.
- 16.9 Any absence from duty for which sick leave is paid, or for official leaves of absence, shall not constitute a break in the service record.

ARTICLE 17 – PERSONAL TIME / EARNED PAID LEAVE

- 17.2 Personal time is designed for any type of time off as needed, not exclusive of vacation. This provision is intended to satisfy the requirements of the Maine Earned Paid Leave Law. If the 24 hours of personal time from their sick accrual is used with less than two weeks’ notice the forced overtime provision will be used to fill the vacancy. The remaining up to 16 hours of vacation time must be requested with at least two-weeks’ notice to avoid forced overtime.
