PAULDING JUNIOR HIGH SCHOOL MISSION STATEMENT

The objective of Paulding Junior High School is to ensure the academic success and emotional well-being of every student by focusing on the positives and eliminating the negatives.

ATTENDANCE POLICIES AND PROCEDURES

The State of Ohio (Ohio Revised Code 3321.01) states that all persons between the ages of six and eighteen must attend school. Since school attendance is vital to the academic success of each pupil, we believe that 100% attendance should be the goal of each student and his/her parents and/or guardians. The Missing Child Act requires that parents notify the school if their child will not be in attendance, and requires schools to notify parents if the child is not in school. In the event of an absence:

1. The parent or guardian is to call the school prior to 9 AM at 419-399-4656 (Ext. 1212) to report the absence.
2. Upon returning to school, the student must bring a signed excuse from a parent/guardian stating the reason for the absence. The note is to be turned into the child's first period teacher at the start of the school day. Failure to do so may result in an Unexcused Absence.
3. A written parental excuse or verification (see descriptions) will be honored for up to five school days after the absence. Failure to submit a note within the five days may result in

the absence being considered as unexcused or truancy. The legal guardian or parent, regardless of the student's age, must write all notes.

4. The following absences are for all students both in person and/or remotely.

Excused Absence: Written parental excuse or parent call required.

- A) Personal illness
- B) Family emergency
- C) Family vacation (ask for the Vacation Request Form available in the PJHS office)

Unexcused Absence: May be considered **truancy** (see notes below)

- A) Any absence which does not fit into the above categories (i.e., oversleeping, missed bus, etc.).
- B) An absence for which there is no written parental excuse, parental phone call, or verification.
- C) Any absence over **65 hours** (without verification as an Excluded Absence).
- D) Tardies to school may be considered truancy if chronic or habitual.
- E) Vacation hours that put a student over the **65 hour** threshold.
- D) Important...Parents enrolling to or from PEVS to Online School. It takes up to 2 weeks or more to transfer a student. Please keep your child(ren) enrolled in the current school until the registration process has been finalized. All hours will be listed as unexcused between schools.

Excluded Absence: Verification Required

- A) Medical excuse (i.e., any medical appointment, illness for student, quarantine by Health Department/Doctor/School Nurse). Must be verified by a medical note with the date and time of the appointment and/or length of time the student will be absent.
- B) Required Court or legal appearance (verified by Court officer).
- C) Funeral of immediate family member or close relative (verified by funeral card or letter from the Funeral Director).
- D) Religious holiday (verified by note from parent or religious organization)

Excessive Absences:

A combination of Excused and Unexcused absences 38 or more hours in one school month, or 65 or more hours in a school year. Parent(s) or guardian(s) will be notified within seven school days after the date of the absence that triggered the notice requirement. At the same time a notice is given, any appropriate intervention action listed herein may be taken.

If a student meets the threshold that requires the state to have an attendance meeting, **at that time a final deadline will be established for all absent verification notices to be turned in for the student.**

5. **Definition of Truancy:** Unauthorized and/or unexcused absence from class or school. Habitual Truants and their parents/guardians will be referred to the Juvenile Court after efforts to gain compliance are exhausted. Also, the student's driver's license may be suspended for excessive absences (ORC 3321.13). Specific definitions as per Ohio Revised Code 2151.011 are as follows.

A) Habitual Truant is defined as any child of compulsory school age who has been absent without legitimate excuse for:

- * 30 or more consecutive hours or,
- * 42 or more hours in a school month or,
- * 72 or more hours in a year

*This policy was developed after consultation with the judge of the juvenile court of Paulding County, with the parents, guardians, or other persons having care of the students attending school in the district, and with appropriate State and local agencies.

**For further information, please review Ohio House Bill 410

6. **Important Notes On Attendance**

- A) Final decisions regarding absences will be made by the principal. Administrative approval is necessary for special or unusual situations.
- B) ATTENDANCE OFFICER: When any child of compulsory school age does not attend school and is not properly excused from attendance, the attendance officer must notify the parent or guardian who must thereafter cause the child to attend the proper school (ORC 321.15).
- C) If an absence is not excused or excluded, the student **may** be allowed to make up any missed work. An unexcused absence may be viewed as truancy. Only **65 hours** without verification will be excused during any school year. Any exception to this rule must be cleared through the principal's office **prior** to the absence.
- D) Important...Parents enrolling to or from PEVS to Online School. It takes up to 2 weeks or more to transfer a student. Please keep your child(ren) enrolled in the current school until the registration process has been finalized. All hours will be listed as unexcused between schools.

7. **Leaving During The School Day**

Permission to leave during the school day, for any reason, must be approved by the principal. Students who leave must sign out in the junior high school office and sign back in if they return during the same school day. *No student will be allowed to sign out without parental permission, regardless of the student's age.* If a student must leave school due to illness or emergency, parents will be notified. Permission must be granted by parent/guardian for the student to leave school. Failure to comply with these rules may result in a charge of truancy.

Any student who will be leaving school during the day due to a scheduled appointment must present a note (signed by a parent) to his/her first period teacher at the start of the school day. The note must state the nature and time of the appointment and contain a parent's signature.

We urge parents to put forth every effort to schedule medical, dental, and optometric appointments outside of school hours whenever possible.

We do not operate a medical clinic at school. If a student is ill, a parent may be called by the school nurse for permission to allow the student to go home. Any student who leaves without consent from the office will be subject to disciplinary action.

8. Tardies

Promptness to class is very important. A student is tardy when he/she fails to be in the assigned class when the bell rings to begin class. If you are tardy to school, you must sign in at the office and receive a Tardy Slip. Excessive tardies will be considered truancy.

After the fifth tardy to school each quarter, you will receive a lunch detention. Excessive tardiness will be considered truancy. The classroom teacher will handle classroom tardies. After the fifth tardy to class each quarter, you will receive a lunch detention.

Academic Eligibility

Eligibility for each grading period is determined by the grades received the preceding nine-weeks grading period. Semester averages and yearly averages have no effect on athletic eligibility. Summer school grades may not be used to substitute for failing grades received during the final grading period of the regular school year.

Paulding Junior High School students must meet these two criteria each nine weeks (each quarter) in order to be eligible, the next quarter:

- 1. Earn five credits**
- 2. Earn a minimum GPA of 1.5**

It is the position of the Paulding Exempted Village School Board of Education that satisfactory grades are necessary for interscholastic extracurricular participation. Such programs include: All athletic teams and cheerleading grades 7-12; academic groups that participate in competition with other schools (i.e.: Quiz Bowl, Science Olympiad, and FCCLA)

We are proud of the athletic programs that are offered to our students. Being a part of these programs is an honor and a privilege. Coaches and administrators have the right to deny this privilege to students if the student's actions or behaviors warrant removal from the team or event.

The Paulding Junior High Athletic Department fields the following approved teams:

Fall:	Football, Boys and Girls Cross Country, Volleyball, and Cheerleading
Winter:	Boys and Girls Basketball, Wrestling, and Cheerleading
Spring:	Boys and Girls Track

School Activities

The Board of Education, faculty, and staff recognize that a complete extracurricular program is an important part of a quality educational experience for students. Your school provides many opportunities for you to participate in a group, club, or team of your choice based on your interests and abilities. Participation in extracurricular activities is a privilege of every student, and excellent behavior is expected as you represent our school. Advisors/coaches and administrators have the right to deny this privilege to students if the student's actions or behaviors warrant removal from the team or event. In order to participate in any extracurricular activity, a student must be in attendance for a minimum of five full class periods of school that day.

Computers and Technology

As a member of the NOACSC, Paulding Junior High School is able to provide its students internet access, connecting computers all over the world. Along with the privilege of accessing the Internet, goes the responsibility of following strict guidelines of proper conduct and use.

Paulding Schools reserve the right to limit access to materials on this network which may not have educational value within the school setting, and have taken available precautions to restrict student access to inappropriate materials.

Use of the NOACSC network is a privilege, not a right. Students and parents must sign an agreement acknowledging the Guidelines for Acceptable Use (located on Final Forms) before students are allowed to use the system. Any violation of this agreement, or the rules governing the use of computers of the network will result in the denial of privileges.

Basic Rules of Technology Use:

1. Do not gain or attempt to gain access to someone else's account or files.
2. Do not write, obtain, or pass on any swearing, vulgarities, suggestive, pornographic, obscene, or threatening language or material.
3. Do not send or pass on any rumors or use the system to annoy or harass others.
4. Do not search or visit sites that may be considered by school personnel to be pornographic, dangerous, or inappropriate.
5. When using the computers, terminals, network, or other school equipment, students must follow the teacher's direction and/or school policies.

School Bus Rules

With nearly 1400 students riding over 20 buses daily, it is important that a common set of rules for safety be maintained. The safety of students while riding the bus is a tremendous responsibility. The PEVS safety record is an enviable one, and we hope that students and parents will join us in keeping it that way.

Ohio laws do not require that any junior high school student be transported to school by bus. Since riding the school bus is a privilege, each student is obligated to read and obey the following regulations to ensure his/her safe and orderly transportation:

1. Parents are responsible for the safety of pupils before entering and after exiting a bus. The bus arrival time before and after school may vary from day-to-day.
2. School employees will not enter disputes involving parents and students prior to pick-up, or after return from pick-up points.

3. Buses operate on a time schedule as outlined by the Transportation Supervisor. The schedules do not allow enough time to wait for tardy students. Students must be at the bus stop before the bus arrives.
4. Students must cross all roadways at least 10 feet in front of the bus.
5. All passengers must maintain absolute quiet at railroad crossings.
6. Pupils will ride assigned buses only.
7. One stopping place per family is all that is allowed. This means that all children must be dropped off and/or picked up at the same stop each day. The Transportation Supervisor must authorize any changes.
8. Discipline procedures that go beyond the bus driver will be handled according to the policy of the building principal.

In addition to these Safety Rules, a set of 11 Rules of Conduct has been established for students while on the bus. These rules, which are posted on the bus, are to ensure courtesy and order are maintained.

1. Observe the same code of conduct as in the classroom.
2. Students must be courteous to the driver and other students.
3. Profane language will not be tolerated.
4. Eating or drinking is not allowed while riding the bus.
5. The bus must be kept clean.
6. Cooperation with the driver is required.
7. No smoking or tobacco use is allowed on the bus or at the bus stop. This also includes all vaping products.
8. Destruction of property is forbidden. Parents will be responsible for any damage inflicted on a bus by their child.
9. Students must be in their seats while the bus is moving.
10. Heads, hands, and feet must be inside the bus at all times.
11. The bus driver is authorized to assign seats.

GENERAL INFORMATION

Weather Related Announcements

In case of severe weather (snow, ice, fog, etc.) the official announcement for school delays or closing may be heard over local radio stations. Listen to WONW, WBNO, WDFM, WOWO, WMEE, WAJI, WERT, WBTU, or WBCL. Announcements are also made on the following television stations: Fort Wayne Channels 15, 21, 33, and Lima Channel 35. An instant alert will also be sent out to all parents.

Emergency Medical Forms

Ohio State law requires that Emergency Medical Forms be kept on file for immediate access in case of injury. These must be on file by Friday of the first week of school. Students may not

participate in any field trip or out of school activity without an Emergency Medical Form. Emergency Medical Forms are located on the Final Forms website and must be updated yearly.

Work Permits

Paulding school district residents ages 14-17 need to have work permits on file if they are employed. Work permit application forms may be picked up in the high school office. Completed forms are to be returned and a Birth Certificate or Baptismal Certificate is to be presented. A work permit will be prepared and presented to the student or mailed to the workplace.

Emergency Drills

1. **Fire Drill**
Know the exits from all rooms in which you might be attending classes. Our aim is to leave the building in a quiet and orderly fashion and in a minimum amount of time. The first student to reach an exit door should hold the door open until the group is out. Exit without excessive noise and with no running or shoving.
2. **Tornado Drill**
Learn the procedures for a tornado drill in each of your classrooms. As a general rule, inner halls and locker rooms are the best place to be. Stay away from doorways and windows.
3. **Evacuation Drill**
In the event of a threat from inside the building (explosive, chemical spill, etc.) students will exit the building quickly and quietly following the same procedures as the fire drill.
4. **Safe Schools Drill**
In some cases, a danger may be present from within the building. Students are to remain in, or go to, the closest classroom. Teachers will close, secure, and cover all exterior doors and windows and move students away from the exits.
5. **ALICE Drill**
This drill is included in the **Safe Schools Drill** and is a process of removing students in the event of a threat within the building determined by the location of the threat. Teachers will provide specific instruction on the appropriate procedure to follow in situations where students must be secured in their building rather than evacuated.

School Cancellations

On fall and spring fog days when weather conditions require that school be cancelled, the PEVS Remote Learning Plan will be in effect. Teachers will report to their classrooms on those days (unless conditions dictate otherwise) and students will learn remotely using the established two-hour delay schedule. Two-hour delays will not be made-up. For ice/snow, we will use the five calamity days provided by the state. The PEVS Remote Learning Plan will be in effect any days beyond those five. Staff will be able to work from home on those days.
