Eighteen-Year-Old Attendance Agreement

Attendance is an important factor in student achievement and school success. Overall, students who attend school regularly achieve higher levels than students who do not have regular attendance. In Tahoma, we believe positive school attendance also connects to students being Future Ready, building habits that support future success in work and life.

Progress towards academic and Future Ready goals is measured, in part, by tracking student attendance. Pursuant to School Board Policy 3122, a student's grades and/or credit in a course may be adversely affected by reason of tardiness or absenteeism.

It has been determined that I am able to conduct my own attendance affairs and the parental notes for absences and tardiness are not necessary. I agree to abide by the following:

I must notify the attendance office PRIOR to any anticipated full or part day absences.

1. I must clear all absences within 1 week, or the absence will become unexcused.
2. I will check out through the attendance office if I leave campus for any reason other than an approved field trip to a school sanctioned event.
3. I will follow all attendance procedures for Tahoma High School. These procedures are outlined in the Tahoma High School student handbook.
4. I understand that not following the above expectations may result in this privilege being revoked.

My signature below indicates that I will abide by these expectations:
