

Instructions for Logging in to Databases from Home

Country Reports database:

Login: bangorpa

Password: world

Country reports has lots of information about countries.

POWERLibrary databases:

If you have a public library card, you can access all databases by entering your library card number when prompted. If you don't you can get an "e-card"

Power Library has a lot of useful information. The Gale U.S. History and Gale Middle School databases are here. There are also free ebooks, news, and lots of information for middle school science.

World Book Online database (general encyclopedia and much more):

Login: bangor

Password: slater

World Book is a great place to start your research. It has something for every level of reader.
