PASTOR'S CORNER

Reflections From Our Pastor

Sept. 15th, 2024

Dear Friends,

We are celebrating with great JOY, the 1st anniversary of the consecration of our long-awaited temple. We are grateful to God for this tremendous blessing and thankful to those who for 70 years laid the groundwork for us.

From the very beginning of this journey together, we have seen God's hand at work in our community. Each step has been marked by hard work and the unwavering support of our parishioners and others who generously gave their support.

We give thanks to everyone who has contributed to the realization of this dream. Your support, your prayers, your commitment, and your love have made all the difference and leave a legacy for generations to come.

Our church is a living testament to what we can achieve together through faith, prayer, generosity and dedication.

Today, as we celebrate this milestone, we look back with gratitude and we look forward with anticipation to many more years of evangelization, growth, service, and community.

We ask God to renew in us a spirit of unity and devotion and inspire us to live out our faith with joy and purpose. May He continue to bless St. Agnes and all who find in this community a home to live their faith.

TOGETHER WE ARE ST. AGNES

May God bless you always,

Rev. Juan C. Paguaga

CATECHETICAL SUNDAY

“Each year, the Catholic Church in the United States designates the third Sunday in September as **“Catechetical Sunday”**—a day on which to celebrate and pray for the Church’s mission to teach the Gospel to all people.

This year’s theme is “Lord, when did we see you hungry?”
(Matthew 25:37)

As a catechist, you are responding to a call to share the gift of faith with others, even as you deepen your own faith. This call may have reached you through your pastor, the director of your parish’s religious education program, or through your role as a Catholic school teacher. But know that this calling ultimately comes from God, whose Holy Spirit inspires and guides you.” – Loyola Press

“Our theme reflects our call to missionary discipleship. As St John Paul II reminded us: The universal call to holiness is closely linked to the universal call to mission. Every member of the faithful is called to holiness and to mission. We are called to be eucharist by word and action to our brothers and sisters in Christ. Our times cry out for this kind of holiness, one inflamed by the ardent determination to bring as many of our brothers and sisters as possible to Christ.” – USCCB

NO ON 4

Amendment 4

BALLOT TITLE: Amendment to Limit Government Interference with Abortion

BALLOT SUMMARY: No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

WHY FLORIDIANS SHOULD VOTE NO ON AMENDMENT 4

Amendment 4 would enshrine UNREGULATED ABORTION in our state constitution, making Florida one of the MOST PRO-ABORTION states in the nation. The amendment language is MISLEADING, and its proposed outcomes are DANGEROUS

- **PUTS WOMEN AT RISK:** Amendment 4 would jeopardize existing laws and prohibit new ones that voters on both sides of the abortion issue support, including health and safety laws that protect women.
- **ALLOWS SECOND AND THIRD TRIMESTER ABORTIONS:** Though not defined in the amendment, "viability" is defined in Florida law as the stage of development when the life of a fetus is sustainable outside the womb (Ch. 390.011(15)), generally accepted to be 22-24 weeks of pregnancy, or about 6 months.
- **CREATES A BROAD "HEALTH" LOOPHOLE:** "Patient's health" is not defined in the amendment, allowing post-viability, extremely late-term abortions for treatable, temporary health concerns. Emotional health would justify an abortion when a child could survive outside the womb.
- **WEAKENS MEDICAL DOCTOR REQUIREMENT:** "Healthcare providers" – not just physicians – could determine if an abortion is "necessary" to protect the mother's "health." Even some employees of abortion clinics, such as nurses and counselors, could approve late-term abortions.
- **ELIMINATES PARENTAL CONSENT:** While preserving parental notification in our state constitution (Article X, Section 22), the amendment would invalidate the current law that requires parental consent for a minor to have an abortion (Ch. 390.01114(5)), making abortion the only medical decision for which parents have no say.

Blessed Sacrament Chapel

“At its core, Perpetual Eucharistic Adoration embodies the unwavering belief in the Real Presence of Christ in the Eucharist, serving as a powerful avenue for spiritual growth, transformation, and unceasing communion with the Creator. By keeping the Blessed Sacrament exposed and present for adoration 24 hours a day, we affirm their conviction that Christ is tangibly present, waiting to engage in a direct and intimate relationship with us. In the quiet moments of adoration, the soul is invited to experience the depth of Christ's love, mercy, and healing. This encounter acts as a catalyst for personal growth and spiritual maturity, fostering virtues such as humility, patience, and a heart of service. Adoration becomes a space where people seek to conform their lives to Christ's teachings, aiming to live more authentically as His disciples.”

NATIONAL Eucharistic Congress

Recently a group of us from St. Agnes Catholic Parish attended the National Eucharistic Congress in Indianapolis along with 60,000 other Catholics. It was truly impactful and deeply transformational for all that had the honor of experiencing it. We would like to share and feature some of the moving testimonials given at the Eucharistic Congress each week.

Eucharistic Congress Featured Talk: Mother Olga

“We have Him and no one can take Him away from us,” Mother Olga of the Sacred Heart told the some 50,000 Catholics gathered at the Eucharistic Congress. Mother Olga, who is the founder and servant mother of the Daughters of Mary of Nazareth, shared stories of the “many Eucharistic miracles in our midst.” The brokenness of Jesus on the Cross, she said, “is where I encountered him to heal my own brokenness and the brokenness of the people that I’ve been blessed with my community to be able to serve.”
