## DISCRIMINATION COMPLAINT PROCEDURES

The Discrimination Complaint Procedures prescribed in this Administrative Regulation apply to reports of retaliation or discrimination on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, pregnancy or handicap/disability that do not constitute Title IX sexual harassment as defined in the Policy 103.

All reports of discrimination shall be reviewed by the Title IX Coordinator upon receipt to determine if the allegations meet the definition and parameters of sexual harassment under Title IX. If the result of this review determines that the allegations fall within the scope of Title IX sexual harassment, then the process set forth in 103-AR-2 for Title IX Sexual Harassment shall be followed.

All reports of discrimination and retaliation brought pursuant to the district's discrimination policy shall also be reviewed for conduct which may not be proven discriminatory under Policy 103 but merits review and possible action under the Code of Student Conduct and other Board policies. ## **PROCEDURES FOR COMPLAINTS OF DISCRIMINATION**

### **Step 1 – Reporting**

A student or individual who believes they have been subject to discrimination by any student, employee or third party is encouraged to immediately report the incident to the building principal or immediate supervisor using the Discrimination/Sexual Harassment/Bullying/Hazing/Dating Violence/Retaliation Report Form or by making a general report verbally or in writing to the building principal or immediate supervisor.

Parents/Guardians of students have the right to act on behalf of the complainant, the respondent, or other individual at any time.

Any person with knowledge of discrimination in violation of Board policy or this procedure is encouraged to immediately report the matter to the building principal or immediate supervisor.

A school employee who suspects or is notified that a student has been subject to discrimination shall immediately report the incident to the building principal or immediate supervisor. Additionally, employees who have reasonable cause to suspect that a child is the victim of child abuse, shall immediately report the suspected abuse, in accordance with applicable law, regulations and Board policy. (Pol. 806)

The building principal or immediate supervisor will serve as the Compliance Officer and shall immediately notify the Title IX Coordinator of the reported discrimination.

If the building principal or immediate supervisor is the subject of a complaint, the student, third party or employee shall report the incident directly to the Title IX Coordinator.

The complainant or reporting individual shall be encouraged to use the Discrimination/Sexual Harassment/Bullying/Hazing/Dating Violence/Retaliation Report Form, however, complaints shall be accepted in person, by telephone, by mail or email, or by any other means that results in the appropriate individual receiving the individual's verbal or written report. Verbal reports shall be documented using the Discrimination/Sexual Harassment/Bullying/Hazing/Dating Violence/Retaliation Report Form, and these procedures shall be implemented.

The Title IX Coordinator shall review reports and complaints and may gather additional information from the individual submitting the report and other parties identified in the report using the Discrimination/Sexual Harassment/Bullying/Hazing/Dating Violence/Retaliation Report Form. The Title IX Coordinator shall promptly contact the complainant regarding the report to gather additional information as necessary, and to discuss the availability of supportive measures. The Title IX Coordinator shall consider the complainant's wishes with respect to supportive measures.

The Title IX Coordinator shall conduct an assessment to determine whether the reported circumstances are most appropriately addressed through the Discrimination Complaint Procedures prescribed in this AR, or if the reported circumstances meet the definition and parameters of Title IX sexual harassment. The Title IX Coordinator shall determine whether the complaint is most appropriately addressed through the Title IX Sexual Harassment Procedures and Grievance Process for Formal Complaints in 103-AR.2, or other applicable Board policies.

If the Title IX Coordinator determines that the report should be addressed through the discrimination complaint procedures, the Compliance Officer shall be notified and the complaint procedures in this 103-AR.1 implemented.

When any party is an identified student with a disability, or thought to be a student with a disability, the Title IX Coordinator shall notify the Director of Special Education and coordinate to determine whether additional steps must be taken for the party, while the discrimination complaint procedures are implemented. Such measures may include, but are not limited to, conducting a manifestation determination, functional behavioral assessment (FBA) or other assessment or evaluation, in accordance with applicable law, regulations or Board policy. FBAs must be conducted when a student's behavior interferes with the student's learning or the learning of others and information is necessary to provide appropriate educational programming, and when a student's behavior violates the Code of Student Conduct and is determined to be a manifestation of a student's disability. (Pol. 113, 113.1, 113.2, 113.3)

## **Step 2 – Initial Communications/Supports**

The complainant shall be informed about the Board's policy on discrimination, including the right to an investigation of both verbal and written reports of discrimination.

The building principal or immediate supervisor, in consultation with the Compliance Officer, Title IX Coordinator and other appropriate individuals, shall promptly implement appropriate measures to protect the complainant and others as necessary from violation of the policy throughout the course of the investigation.

The building principal or immediate supervisor may provide to the complainant factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. The person accepting the complaint shall handle the report objectively, neutrally, and professionally, setting aside personal biases that might favor or disfavor the complainant or respondent.

The building principal or designee shall seek to obtain consent from parents/guardians to initiate an investigation where the complainant or alleged victim is under age eighteen (18), and inform parents/guardians of the complainant that the complainant may be accompanied by a parent/guardian during all steps of the complaint procedure. When a parent/guardian requests confidentiality and will not consent to the alleged victim's participation in an investigation, the building principal or designee shall explain that the school shall take all reasonable steps to investigate and respond to the complaint consistent with that request for confidentiality as long as doing so does not preclude the school from responding effectively to the discrimination and preventing discrimination that affects other students.

The building principal or Compliance Officer shall provide relevant information on resources available in addition to the discrimination complaint procedure, such as making reports to the police, available assistance from domestic violence or rape crisis programs and community health resources, including counseling resources.

*Informal Remedies -*

At any time after a complaint has been reported, if the Compliance Officer believes the circumstances are appropriate, the Compliance Officer may offer the parties involved in the complaint the opportunity to participate in informal remedies to address the reported conduct. Informal remedies can take many forms, depending on the particular case. Examples include, but are not limited to, mediation, facilitated discussions between the parties, restorative practices, acknowledgment of responsibility by a respondent, apologies, a requirement to engage in specific services, or other measures to support the parties.

If the matter is resolved to the satisfaction of the parties, the district employee facilitating the informal remedies shall document the nature of the complaint and the proposed resolution of the matter, have both parties sign the documentation to indicate agreement with the resolution and receive a copy, and forward it to the Compliance Officer.

The Compliance Officer shall contact the complainant to determine if the resolution was effective and to monitor the agreed upon remedies and shall document all appropriate actions.

\*If the informal remedies result in the final resolution of the complaint, the following steps are not applicable.

**Step 3 – Investigation**

The Compliance Officer shall assess whether the investigation should be conducted by the building principal, another district employee, the Compliance Officer, or an attorney and shall promptly assign the investigation to that individual. When a parent/guardian has requested confidentiality and will not consent to the alleged victim's participation in an investigation, the Compliance Officer shall provide the parent/guardian with a letter containing information related to the district's legal obligations to conduct an investigation and address violations of Board policy, and any other information appropriate to the specific complaint.

The Compliance Officer shall ensure that the individual assigned to investigate the complaint has an appropriate understanding of the relevant laws pertaining to discrimination and retaliation issues and Board policy, and how to conduct investigations and draft an investigative report.

The investigator shall work with the Compliance Officer to assess the anticipated scope of the investigation, who needs to be interviewed and what records or evidence may be relevant to the investigation.

The investigator shall conduct an adequate, reliable, and impartial investigation. The complainant and the respondent may suggest additional witnesses and provide other evidence during the course of the investigation.

When the initial complaint involves allegations relating to conduct which took place away from school property, school-sponsored activities or school conveyances, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

The investigation may consist of individual interviews with the complainant, the respondent, and others with knowledge relative to the allegations. The investigator may also evaluate any other information and materials relevant to the investigation. The person making the report, parties, parents/guardians, and witnesses shall be informed of the prohibition against retaliation for anyone's participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.

If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Compliance Officer, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the allegations is pending or has been concluded. The investigator should coordinate with any other ongoing investigations of the allegations, including agreeing to requests for a delay in fulfilling the district's investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation, and the reason for such delay shall be documented by the investigator.

#### **Step 4 – Investigative Report**

The investigator shall prepare and submit a written report to the Compliance Officer within thirty (30) school days

of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of the investigation or the availability of witnesses requires the investigator and the Compliance Officer to establish a different due date. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The investigative report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated Board Policy 103 and of any other violations of law or Board policy which may warrant further district action, and a recommended disposition of the complaint. An investigation into discrimination or harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of Board policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the respondent shall be informed of the outcome of the investigation, for example, whether the investigator believes the allegations to be founded or unfounded, within a reasonable time of the submission of the written investigative report, to the extent authorized by the Family Educational Rights and Privacy Act (FERPA) and other applicable laws. The respondent shall not be notified of the individual remedies offered or provided to the complainant.

**Step 5 – District Action**

If the investigation results in a finding that some or all of the allegations of the discrimination complaint are founded and constitute a violation of Board policy, the district shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs. The district shall promptly take appropriate steps to prevent the recurrence of the prohibited conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the district education program or activity. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant. The Compliance Officer shall follow up by assessing the effectiveness of the corrective action at reasonable intervals.

If an investigation results in a finding that a different policy was violated separately from or in addition to violations of Policy 103 or these procedures, or that there are circumstances warranting further action, such matters shall be addressed at the conclusion of this investigation or through disciplinary or other appropriate referrals where further evaluation or investigation is necessary. (Pol. 113.1, 218, 233, 247, 249)

Disciplinary actions shall be consistent with the Code of Student Conduct, Board policies and administrative regulations, district procedures, applicable collective bargaining agreements, and state and federal laws and regulations. (Pol. 103, 104, 113.1, 218, 233, 317, 317.1)

**Appeal Procedure**

If the complainant or the respondent is not satisfied with a finding made pursuant to these procedures or with recommended corrective action, they may submit a written appeal to the Compliance Officer within fifteen (15) school days of receiving notification of the outcome of the investigation. If the Compliance Officer investigated the complaint, such appeal shall be made to the Superintendent.

The individual receiving the appeal shall review the investigation and the investigative report and may also conduct or designate another person to conduct a reasonable supplemental investigation to assess the sufficiency and propriety of the prior investigation.

The person handling the appeal shall prepare a written response to the appeal within twenty (20) school days.

Copies of the response shall be provided to the complainant, the respondent and the investigator who conducted the initial investigation.
