September

## CLASSROOM NEWS

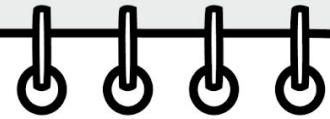

**Math-** Students are using place value and solving multi-digit multiplication.

**Reading-** We are wrapping up unit 1 and starting unit 2 with our first fiction texts. We will be analyzing social emotional learning and different perspectives while drawing inferences, summarizing, and comparing and contrasting.

**Writing-** Students will be writing an opinion piece with evidence to support their reasonings.

**Social Studies** - We are starting our first unit of social studies, studying the geographic regions of the United States, with an emphasis on the Native American cultures.

**Second Step:** Students are learning about growth mindset and creating goals.

## EVENTS
