## River Valley High School to be Considered for Prestigious “A Plus Award!”

### FOR IMMEDIATE RELEASE

Monday, September 16, 2024

Michael Jake Carter  
Director of Community Engagement  
CRUHS

Mohave Valley, AZ – Each year, the Arizona Education Foundation only chooses a select number of schools for the “A Plus School of Excellence” recognition. Two years ago, our school board adopted our district Guiding Coalition's 4 Collective Commitments focused on: Student Learning, Instruction, Learning Environment, and becoming a Professional Learning Community. The teachers, staff, and students have worked hard to realize these commitments and to create a school culture of Achievement for All! Our hope is that when the judges visit the campus in December, they will observe the same thing!

### RVHS Prinicpal Comment:

*“This is the result of hard-work the teachers and students are doing, if we receive the award it will show all the hard-work and dedication the students and teachers have been doing the past 2-3 years.”*  
– Mr. Dorn Wilcox

### Superintendent Comment:

*“When I arrived here two years ago, I had a goal that all of the schools in our district would become “A Plus Schools.” While the other schools in our district are not too far behind, someone has to win it first! I am proud of our hard-working students and staff at River Valley and I hope River Valley High School becomes the first High School in the history of Mohave County to win the “A Plus School of Excellence” award!”* – Dr. Tim Richard
