Attention: Parents/Guardians

This memo serves as a reminder to all students and families of our early dismissal procedures. Per our handbook:

“In order for a student to be dismissed early, a signed parent/guardian written request should be submitted to the attendance office by 7:45 am on the day of the dismissal. This request must include a legitimate reason for the request and a phone number where the parent/guardian can be reached to verify the request if necessary. Students must bring these notes to the attendance office to get signed and use this as their pass out of class. All students must sign out at the attendance office before leaving.”

We understand that an emergency may occur which presents a need to get your student out of school without a note. In these cases, you will need to enter the school and sign your student out at the front desk. If your student is not feeling well, they must go to the nurse's office and be signed out from there to leave for illness.

Thank you in advance for your cooperation.
