

Statewide Assessment Testing Schedule 2024-2025

September 2024

Dear Families,

The Pine Hill School District participates in assessment of students on an ongoing basis as required by the State of New Jersey and as a practice to ensure student academic needs are being met. Please find assessment information for the 2024-2025 school year below. If you have any questions, please contact your child's school.

New Jersey school districts, charter schools, and renaissance school projects are required by statute (N.J.S.A. 18A: 7C-6.6) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially-developed standardized assessment that will be administered over the course of the school year. If after October 1, it is decided that an additional commercially-developed standardized assessment will be administered, then the information shall be shared with parents as soon as possible (within 30 days of receipt of final reports for statewide assessments).

September 2024 through December 2024:
