DIRECTOR OF SWIMMING

Euan Dale

Email - dale.e@millfieldschool.com

Euan is an OM who has competed at the Beijing 2008 Olympic Games and coached at the Tokyo 2020 Olympic games for Team GB. Having been at Millfield since 2010, he has overseen the significant evolution and development of the programme and is passionate about creating an environment of growth for both the students and coaches. We are lucky to have some of the best coaches and students in the world, making the environment a truly inspirational place to be on a daily basis. Millfield is so much more than swimming.

COACHES

Rachel Aldington
Lead Coach

THE PROGRAMME

WHAT TO EXPECT

Millfield has a tiered structure, performance, competitive, pathway and school tier.

Performance (age 16+) - international elite level
Competitive (13-18 years) – national level, pathway (13-18 years) – regional level, school (13-18 years) – county or recreational level.
This allows students to aspire to compete at the highest international level, as well as swimming for fitness and recreation.

Tailored competition is designed for each tier of the programme, allowing development for all through racing exposure. Training slots run pre school 5.45-7.45am, at lunch time from 12.30-1.15pm, and after school from 16.15-6.15pm and 18.15-8pm.

Squads are allocated based on ability and in line with our squad criteria. It is a fluid and dynamic structure in which squad allocations are made bi-annually at the discretion of the Director of Swimming, in conjunction with the lead coaches.

Each squad comes with an expectation and responsibility to meet the outlined criteria. All students are to adhere to the collective standards of responsibility, work ethic and mindset.

The tiered structure includes an integrated approach to other aquatic disciplines, including water polo, triathlon and other multi-sport students. This approach allows students to have a broad offering as they evolve through their sporting journeys.
