

Grandparents as Parents - 2024-2025 School Year

If you are raising your grandchild, this group may be for you!

The first step is always the hardest...but you'll never regret it.

We hope you will consider attending! Knowledge is power!

We warmly invite you to attend our Grandparents as Parents meetings this school year! This informal group provides a wonderful opportunity to spend some time with other grandparents facing very similar situations. Our primary goal is offering support and information on a variety of topics and resources. We hope you find this group helpful!
