DUAL ENROLLMENT INFORMATION

January 18, 2024

A COMPASS FOR THE FUTURE

HENRY COUNTY SCHOOLS

and our COMMUNITY share

A VISION TO

ensure a **high-quality, world-class** education for **every student.**

and a singular

MISSION TO

empower all students with **exceptional opportunities** and **access** that lead to **success** in a global society.

Unified Governance

An system for educating, led by the Henry County Board of Education

COREBELIEFS | We believe

- Each student can learn at or above grade level and will have an equal opportunity to do so
- Family and community involvement is critical to student success
- All learning environments should be supportive, safe, and secure
- Effective teachers, leaders, and staff, produce excellent results

COREPOLICIES | BAB , IAB, and IB, call for

- An Aligned System of Teaching & Learning
- A System of Accountability
- A Framework for Continuous Improvement
- A Plan to Advance Opportunities, Access, and Outcomes

STRATEGICACTIONS | To advance

- And accelerate learning opportunities and experiences for students
- And support effective school leaders and teachers
- Community and stakeholder engagement so that all students, families and employees feel welcomed and valued
- Student and employee health, wellness, and support structures
- A high-performing operational culture

PRIORITYOUTCOMES | Every student will be

- Ready for kindergarten
- Ready to read and write at or above grade level each year with a curriculum rich literature and world languages
- Ready for success in advanced coursework at every grade level
- Ready for life with strong soft skills, personal health, and well-being
- Ready for college, career and post-secondary successes with industry certifications, competitive test scores and scholarship awards

Community-Inspired **2021-2026 Strategic Plan**
Developed by the Henry County Board of Education

In Pursuit of *Exceptional*

SENIORS:

"CLAIM YOUR SPOT" AT A GEORGIA COLLEGE OR UNIVERSITY TODAY!

SCAN TO LEARN MORE ABOUT

GEORGIA MATCH

GAfutures

GEORGIA MATCH

Dear Student Name,

Congratulations! GEORGIA MATCH recognizes your hard work in school, and I'm happy to say you're already eligible for direct admission into the Georgia public colleges and universities listed below. This accomplishment is based on your most recent transcript data submitted by your high school to GAfutures.org. The colleges listed below are holding a spot for you in their Fall 2024 class!

Use the QR code to request information from any colleges listed, and once you have chosen the one you want to attend, claim your spot to begin the admission and enrollment process. Fall is the perfect time to explore your college options and apply. All TCSG and USG colleges and universities waive their application fee for Georgia's seniors during November's Apply to College Month!

TECHNICAL COLLEGE SYSTEM OF GEORGIA (TCSG)

Albany Technical College	GA Northwestern Technical College	South Georgia Technical College
Athens Technical College	Georgia Piedmont Technical College	Southeastern Technical College
Atlanta Technical College	Gwinnett Technical College	Southern Crescent Technical College
Augusta Technical College	Lanier Technical College	Southern Regional Technical College
Central Georgia Technical College	North Georgia Technical College	West Georgia Technical College
Chattahoochee Technical College	Oconee Fall Line Technical College	Wiregrass Georgia Technical College
Coastal Pines Technical College	Ogeechee Technical College	
Columbus Technical College	Savannah Technical College	

UNIVERSITY SYSTEM OF GEORGIA (USG)

Abraham Baldwin Agricultural College	East Georgia State College	Kennesaw State University
Albany State University	Fort Valley State University	Middle Georgia State University
Atlanta Metropolitan State College	Georgia Gwinnett College	Perimeter Colleges of Georgia State
Augusta University	Georgia Highlands College	Savannah State University
Clayton State University	Georgia Southern University	South Georgia State College
College of Coastal Georgia	Georgia Southwestern State Univ.	University of North Georgia
Columbus State University	Georgia State University	University of West Georgia
Dalton State College	Gordon State College	Valdosta State University

USG requires students to meet Required High School Curriculum and testing requirements. Scan the QR code to learn more.

Attending a public college or university in Georgia is affordable. GAfutures.org can help you plan and pay for college in Georgia by connecting you to information about Georgia's HOPE & Zell Miller Scholarships and Grants as well as 15 additional state-funded financial aid programs and federal financial aid!

Congratulations on making Georgia proud! I look forward to seeing you on one of our college campuses next fall!

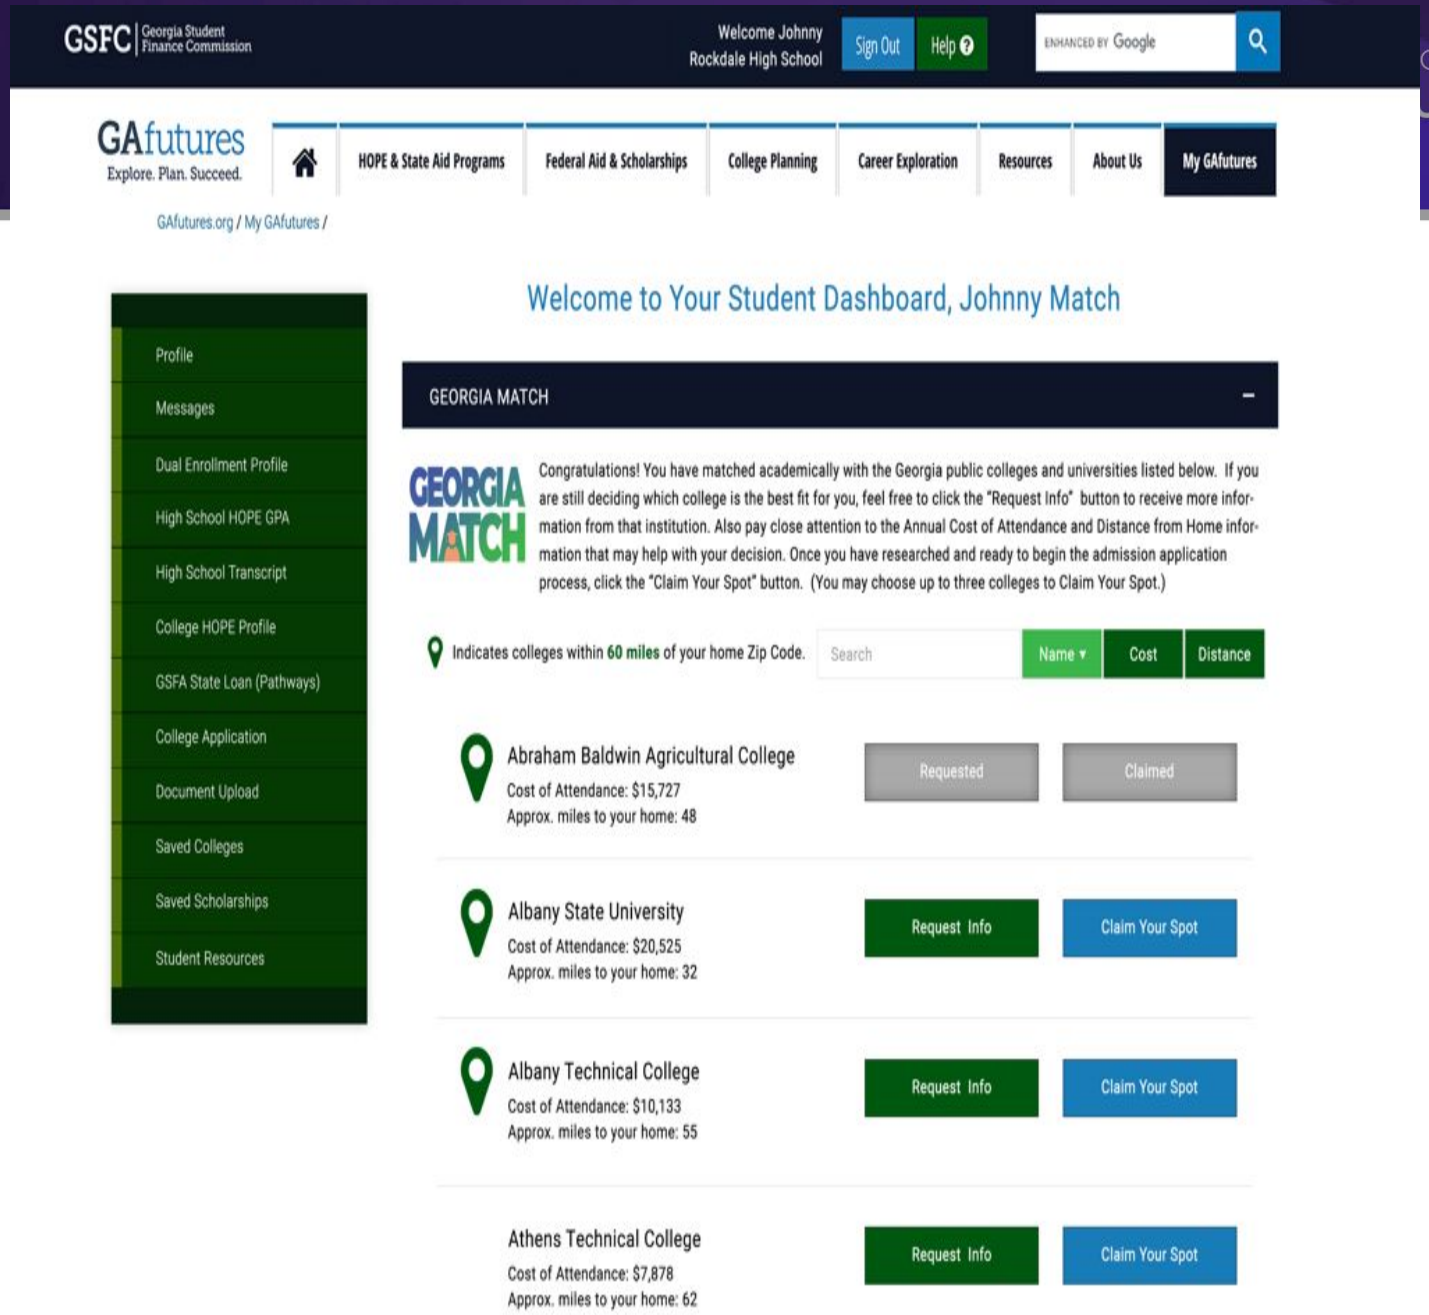
B.P.K.

Brian P. Kemp
Governor

LEARN MORE BY USING THIS QR CODE!

GAfutures

- ★ Eligibility based on the HOPE GPA and highest single ACT/SAT GSFC has on record
- ★ Claim spot for 3 Institutions
- ★ Encourages them to complete GSFAPP
- ★ All 22 TCSG's
- ★ 23 USG's (exception: Georgia College & State, GATech, UGA)
- ★



Student Dashboard

- ★ Can click on as many "request info" buttons as they like
- ★ Only 3 "Claim Your Spot" buttons can be clicked.
- ★ Institution will contact student
- ★ Institution will confirm final admission eligibility.

Tomorrow's Healthcare Today & Tomorrow's Teachers Today

- Accelerated pathways offer qualified students a unique path to a high school diploma and an associates degree. Students choose to simultaneously earn a high school diploma and an associates degree.
  - Healthcare: Associates in Science on track to continue their post-secondary education in nursing.
  - Teachers: Associates Degree in Education with an opportunity to continue their education degree.
- Students begin the program in 9th grade. They will need to complete High School Algebra I and HS Physical Science in the 8th grade.
- Students will begin Dual Enrollment in 10th Grade.

- **More in Depth Meeting on Thursday January 25th from 6:00 - 7:00 pm**

WHAT IS DUAL ENROLLMENT?

- Dual enrollment program allows eligible high school students to earn college credit while working on their high school diploma.
- The approved course list is available on Gafutures.org for both technical and 4 year colleges and universities.

ELIGIBILITY

- **9th Grade-** Ineligible
- **10th Grade**
  - May enroll in Career, Technical and Agricultural Education (CTAE) courses at a participating TCSG institution only.
  - High Achievers- SAT score of 1200 or an ACT score of 26, may enroll in any approved Dual Enrollment courses at a TCSG, USG or private eligible participating postsecondary institution.

ELIGIBILITY

- **11th & 12th Grade**
  - Must meet post-secondary admission requirements to take any approved Dual Enrollment courses at an eligible USG, TCSG or private institution until they reach their capped number of hours.

BENEFITS

- ★ Increases exposure to college-level classes while still in high school
- ★ Allows students with specific goals (academic or career) greater flexibility to attain those goals
- ★ May provide an easier transition from high school to college
- ★ Reduced costs to the student and/or families: covers tuition, mandatory fees, and required textbooks (professor recommended books may not be covered)
- ★ Students receive both high school and post-secondary credit at the same time
- ★ Students can attend multiple colleges/universities, but must not exceed the 15 hours per semester or 12 hours per quarter.
- ★ Students can participate in any high school extracurricular activity, even if they are full time DE.

Dual Enrollment Courses: Part-time or Full-Time

Part-Time

- Fewer than 12 credit hours per semester
- Blend of Dual Enrollment courses at the college and high school courses
- Students are still enrolled at a HCS high school and eligible to participate in sports, extracurricular activities, clubs, and events.

Full Time

- Total of 12-15 credit hours per semester
- Classes are taken on the college/university campus, online or HCS Site and may take high school courses at the high school
- Students are still enrolled at a HCS high school and eligible to participate in sports, extracurricular activities, clubs, and events.

How many classes/hours can a student enroll?

- Term Cap- 15 hours per semester or 12 hours per quarter
  - Participation and funding is capped at 30 semester or 45 quarter hours
- Accelerated Career Diploma Program
  - 30-hour funding cap
- Students who have reached the DE funding cap may be eligible for HOPE Grant and HOPE Career Grant Programs at TCSG institutions.

ARE YOU READY FOR DE?

★ Consider the following:

- Are you eligible to participate in Dual Enrollment?
- Are you self-motivated, take initiative?
- Are you proactive in completing assignments and studying?
- Are you diligent in reporting to class on time?
- Are you an independent learner?
- Are you able to communicate with your teachers/instructors, independently of your parents?
- Are you proactive in keeping up with school events/activities?
- Are you able to maintain positive academic behavior while involved in extracurricular activities?

HOW DOES DE WORK?

- ★ Information Gathering
  - Advisement regarding Dual Enrollment must be provided to all students grades 8-12 regarding DE by February 1st.
  - Students in grades 8-11 must complete their Naviance task for Dual Enrollment
- ★ Process
  - Students must apply and be accepted to the post-secondary institution they wish to attend.
  - Students will need to complete an ONLINE DE Funding Application each semester or quarter and Participation Agreement once per year (unless the student changes schools).

HOW DOES DE WORK?

★ Process

- Students enrolling in approved DE courses through University System of Georgia (USG) and Technical College System of Georgia (TCSG), or private institutions will not pay any tuition or mandatory fees; books will be provided
  - https://www.gafutures.org/checs/dualenrollment/DECourseDirectory
- However, there may be course specific fees, such as lab fees, that will still be the responsibility of the student.

★

HOW DOES DE WORK?

- Process
  - DE courses do not count toward your HOPE SCHOLARSHIP/ZELL MILLER CAP hours and do not count in the College HOPE eligibility GPA calculations (after a student is enrolled in college) but the DE courses DO count into the High School HOPE GPA calculation and therefore, a student's initial HOPE eligibility when graduating high school and entering college as a college student.

  - While you are in high school and creating your HOPE GPA, these DE courses are calculated into your GPA.

HOW DOES DE WORK?

- Process
  - Students who have reached the Dual Enrollment Funding Cap may elect to begin using hours from HOPE Grant and HOPE Career Grant Programs.
    - https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-grant/
    - https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-career-grant/
  - Students taking at least 12 semester hours or 15 quarter hours are considered full time DE students and may not need additional classes at their home school (Math has special criteria).
  - Satisfactory academic progress (SAP) at the college is required to continue participating in DE.

GAfutures
Explore. Plan. Succeed.

WITHDRAWAL & RETAKE POLICIES

- Students may not receive funding for the same DE course twice. DE courses (passed/ failed/withdrawn) **cannot** be retaken and receive funding.
- Grades of W, WD or WF (withdrawal from a course) given at the college will equate to a "F" on the high school transcript.
- Students become ineligible to continue to receive funding from the program after their 2nd withdrawal.
- Students who wish to retake a course or continue participating after 2 withdrawals may request an Extenuating Circumstance Exception.

WHEN DO YOU SELF-PAY?

- ★ The term in which the student reaches the Funding Cap (30 hours), the Eligible Postsecondary Institution may charge Tuition and a prorated portion of the Mandatory Fees and book costs, based on credit hours not covered by Dual Enrollment funding.
- ★ The Eligible Postsecondary Institution may charge for courses that do not appear on the approved course directory but which the student chooses to enroll: 11th & 12th grade only
- ★ A student is ineligible to receive Dual Enrollment funding payment, for courses not specific to their grade level eligibility (i.e. 9th and potentially 10th)
- ★ Student is ineligible to receive Dual Enrollment funding to repeat or retake a course.
- ★ If a student officially or unofficially withdraws or drops out prior to the postsecondary institutions' drop/add period, he or she is ineligible to receive Dual Enrollment program funding payment for that school term. Students that drop out during the drop/add period are subject to the provisions in accordance with *Section 1612 of Dual Enrollment Regulations (See 2023-2024 DE Regulations).*
- ★ Student becomes ineligible to continue receiving Dual Enrollment program funding after their second (2nd) course withdrawal from an approved Dual Enrollment course(s), occurring Summer term 2020 or later, regardless of the total Paid Hours or Funding Cap calculation.

Dual Enrollment Self-Pay Guidelines

★ **Defined**
- A Self Pay Dual Credit Course is a post-secondary course, including a virtual course, taken by an eligible high school student pursuant and an eligible postsecondary institution.

★ **Hours**
- Students who wish to take more than the funded 30 DE courses must self-pay required tuition, fees, books, and any other related expenses. Courses must be chosen from the DE course directory or a list of approved self-pay dual credit courses.

★ **Tuition**
- The parent/student is responsible for tuition and fees for any course taken that is not on the approved DE Course Directory or on the student's DE application. Please communicate with the school counselor as some courses are not eligible for high school credit.
-

★ **Process**
- Before registering for Self Pay Dual Credit Courses, students must complete and submit the Self-Pay Course Approval Form to the high school counselor before paying for any college courses, textbooks, and fees.

HENRY COUNTY SCHOOLS

Senate Bill 86

- SB86 - Signed into law May 2023
  - Public high school students (10th -12th grades) who meet HOPE Grant eligibility requirements may use HOPE Grant before the DE funding Cap.
  - Must enroll in approved CTAE courses on the DE Directory at a TCSG College.
  - Both high school and TCSG Institution must advise the student: HOPE and Zell Miller Grant paid hours limit of 63 semester hours. HOPE and Zell Miller Scholarship & Grand combined paid hours limit of 127 semester hours.

Senate Bill 86

- Allows eligible students participating in the Dual Enrollment program to access HOPE grant funds for certain CTAE courses even if the student has reached maximum credit hour caps.
  - The following programs are covered under the Hope Career Grant:

Automotive Technology	Welding and Joining Technology
Aviation Technology	Aviation Technology
Certified Engineer Assistant	Commercial Truck Driving
Computer Programming	Computer Technology
Construction Technology	Diesel Equipment Technology
Early Childhood Care and Education	Electrical Lineman Technology
Health Science	Industrial Maintenance
Logistics/Transportation Technology	Movie Production Set Design
Practical Nursing	Precision Manufacturing

Accelerated Career Program (formerly Option B)

ACCELERATED CAREER

Accelerated Career

- Accelerated Career pathways offer qualified students a unique path to high school graduation. Students choose to simultaneously earn a high school diploma and a college Associate Degree, Technical Diploma, or two (2) Technical Certificates of Credit (TCC's) in a specific career pathway.

- Accelerated Career students do NOT complete the 23 credits required of traditional high school students and are not the ones planning to move straight to a 4-year college. If students are considering a 4 year college as part of their future plan, Accelerated Career is not their best option.

Accelerated Career Required Coursework

Complete all nine High School Courses

- ★ 2 English: American Lit / EOC & another English course
- ★ 2 Science: Biology / EOC & another Science course
- ★ 2 Math: Algebra I / EOC & another Math course
- ★ 2 Social Studies: US History & another Social Studies course
- ★ 1 Health / PE

Complete any of the following Technical College Credentials

- ★ Any one Associate Degree
- ★ Any one Diploma Program
- ★ 2 Technical Certificates of Credit (TCC's) in the sequences listed below

Accelerated Career Program Options

- Aircraft Structural Technology
- Automotive Technology **
- Avionics Technology
- CAD-Industrial Maintenance Technology
- Carpentry
- Computer Programming**
- Cybersecurity**
- Dental Assisting
- Design and Media Production
- Diesel Technology
- Early Childhood Care and Education**
- Emergency Services**
- Healthcare (Phlebotomy)**
- Health Science
- HVAC
- Industrial Mechatronics

** Pathways offered at the Henry Campus of Southern Crescent Technical College

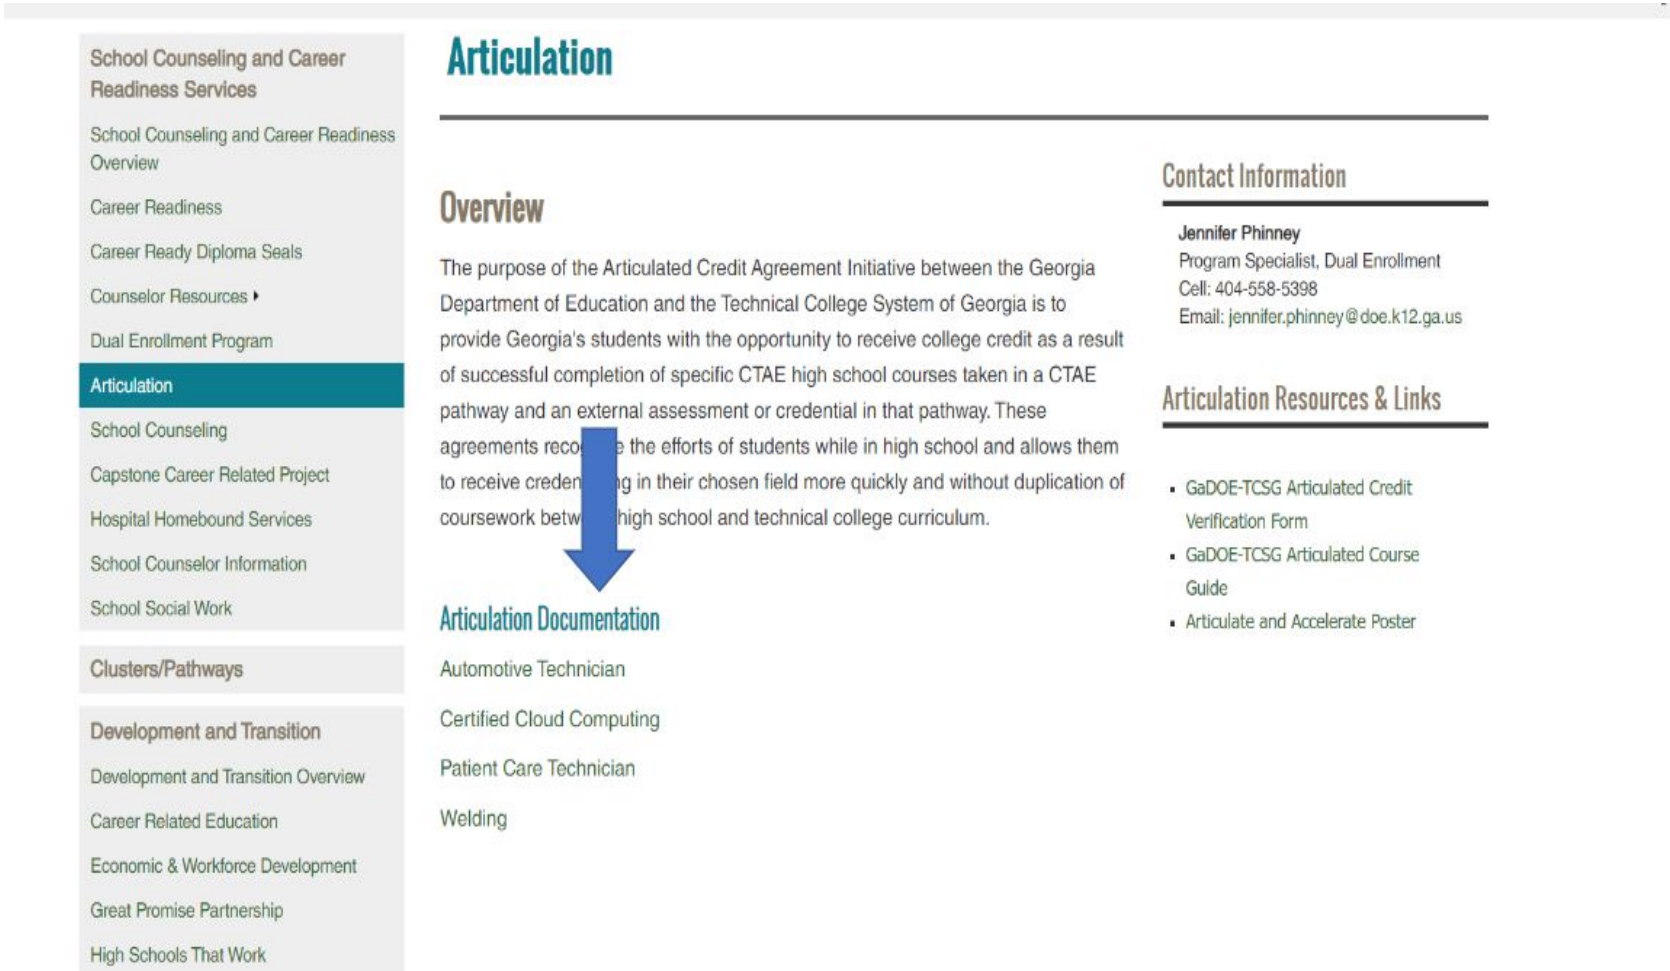
Articulated Credit is …

- ★ An agreement between the Technical College System of Georgia and the Georgia Department of Education
- ★ Offers Georgia's high school students the opportunity to earn college credit by successfully completing specific high school courses in a CTAE Pathway and an external assessment or credential
- ★ Provides our students the opportunity to earn certificates, credentials or degrees more quickly and without duplicating coursework

Articulation Credit Resources

The Articulation Agreements and other resources have their own page on the DOE website.

- **Go to the [GaDOE Articulation website]**



TCSG & GaDOE Articulation

Available Programs in Henry County Schools

- ★ Architecture Drafting
- ★ Construction
- ★ Welding
- ★ Early Childhood Education
- ★ Pharmacy Technology
- ★ Cosmetology
- ★ Cybersecurity
- ★ Criminal Justice
- ★ Marketing Communications & Promotion
- ★ Drafting Technology
- ★ Automotive Technician

Click here for complete list and course & credentialing exam details

HENRY COUNTY SCHOOLS

Steps for Accessing and Receiving Articulated Credit

Step 1- Successfully complete the required courses in your chosen CTAE pathway to qualify for the articulated credit

Step 2- Successfully pass the required credentialing assessment, exam, or demonstration required to earn the articulated credit

Step 3- During your senior year, apply to the Technical College of your choice

Step 4- Ask your counselor for the Articulated Credit Verification Form and fill it out. Upload the Verification Form and Exam/Credential Certificate with your TCSG application

Step 5- Receive acceptance from the Technical College of your choice (Additional documentation or demonstration may be required by the local TCSG institution for the credit to be awarded)

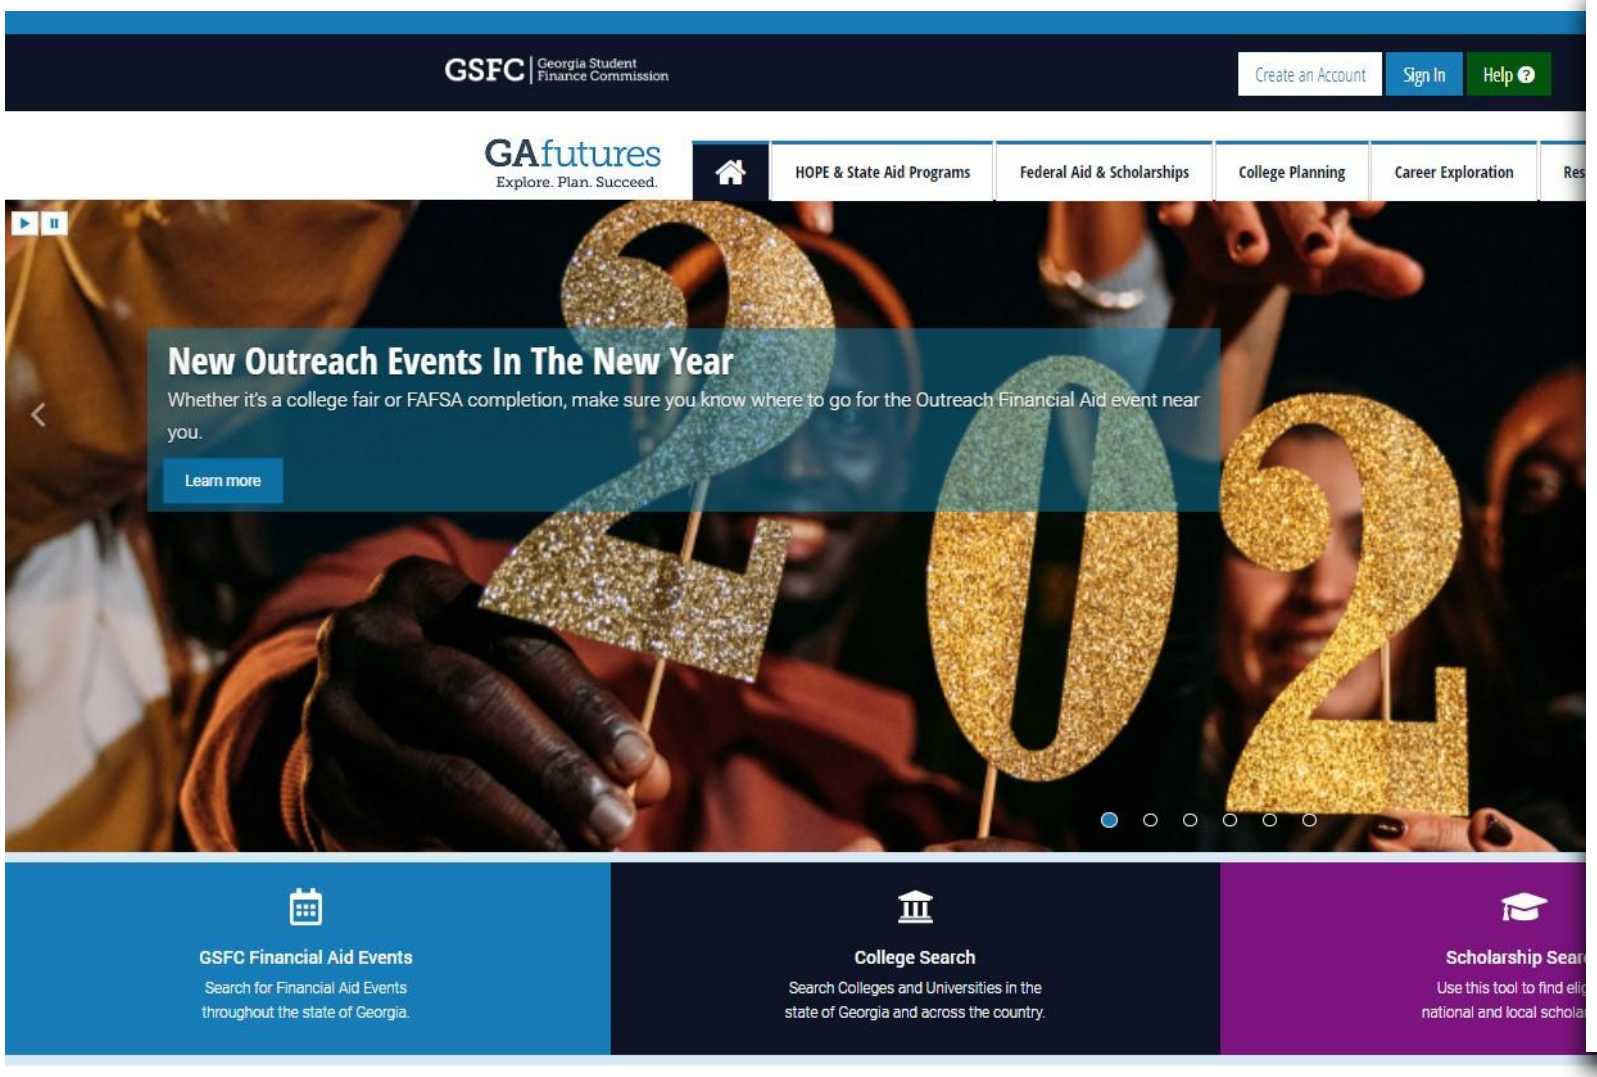
DE APPLICATION PROCESS

1. Parent and student must meet with their counselor to discuss DE interests/options and graduation requirements.
2. Student must take the appropriate test (i.e. SAT, ACT, ACCUPLACER) to gain admission into the university/college.
3. Student must meet GPA requirements for college admission.
4. Student must submit all required documentation to the college/university.
5. After acceptance is received, the student and parent meet with school counselor to discuss course options and complete any applicable course registration and agreements **(mandatory).**

DE APPLICATION PROCESS

6. After acceptance is received, the student completes the DE Funding/online application (GAfutures.org).
7. Student registers for DE classes with the college advisor based on courses approved by the high school counselor at least 10 days prior to the university deadline.
8. Students obtain a copy of the college schedule and gives a copy to the high school counselor for verification of graduation requirements.
9. At the end of the semester/quarter, the college will provide the high school counselor with a copy of the transcript; however, the student can also provide the college/university official transcript to the counselor.
10. Steps 1-9 must be repeated each semester or quarter a student wishes to enroll in DE.



Georgia Student Finance Commission

GAfutures
Explore. Plan. Succeed.

Visit GAfutures.org to access all Dual Enrollment procedures, policies and forms.

- ★ All students complete the online Dual Enrollment funding application.
  - No paper version
- ★ Students complete one application per program year.
  - Program year goes from Summer term to Spring term
    - Unless student changes high schools or home study programs during the year, then must complete a second application
- ★ As part of the application, student completes the participation agreement and provides parent's email.

GAfutures
Explore. Plan. Succeed.

- ★ After the student submits their online Dual Enrollment Funding application, the parent/guardian must complete the participation agreement before the high school can process the application for approved courses.
- ★ Neither the high school nor the college/university can process a student application until the parent agrees to student participation in Dual Enrollment.
- ★ Separately, students must complete the college admissions application process as well.

COLLEGE/UNIVERSITY ADMISSION PROCESS FROM OUR PARTNER UNIVERSITY:

Georgia Institute of Technology

Dual Enrollment at Georgia Tech

Distance Computer Science and Distance Math and On-Campus Dual Enrollment

Georgia Tech

Distance Computer Science

- CS 1301: Introduction to Computing

  Pre-requisites: At least two college level (AP or DE) classes, precalculus, and classroom or extracurricular experience with computers

- CS 1331: Introduction to Object-Oriented Programming

  Pre-requisites: CS 1301 or AP Computer Science A score or 4+ and proficiency in Python

- Each is a one-semester course. To take both, students must apply for both. Offered summer, fall, or spring semesters
- Fully on-line: recorded lectures, optional recitations, online discussion forums
- Program allows students to join Fall, Spring, or Summer semesters

Georgia Tech

Distance Math

- Year One: Linear Algebra (MATH 1554) Fall semester and Multivariable Calculus (MATH 2551) Spring semester
  - Pre-requisites: AP Calculus BC with test score of 4+ or Dual Enrollment Calculus I and II
  - Hybrid delivery with pre-recorded lectures and live studio sessions
  - Tests are proctored at high school
- Year Two: Applied Combinatorics (MATH 3012) Fall semester and Differential Equations (MATH 2552) Spring semester
  - Pre-requisites: Year One or Dual Enrollment of Year One courses
  - Asynchronous online delivery
  - Tests are proctored at high school

Georgia Tech

On-Campus Dual Enrollment

- Limited to 20 students per year
- Registration not guaranteed in any particular classes. Students cannot count on taking classes needed for graduation
- Intended for students who have exhausted high school curriculum in math and/or science.
- Logistics:
  - Commuting and parking
  - Nearly all classes at Tech are offered mid-morning. Nearly all labs are late afternoon.

Georgia Tech

Application Requirements

- Online Admission Application
  - Fall: May 15 – June 15
  - Spring: September 15 – October 25
  - Summer: March 1 - 31
- Transcript with most recent semester
- ACT, PSAT or SAT results
- AP Calc BC scores for Distance Math One
- AP CS A scores if applying for CS 1331
- Verification of Lawful Presence

COLLEGE/UNIVERSITY ADMISSION PROCESS FROM OUR PARTNER UNIVERSITY:

SOUTHERN CRESCENT TECHNICAL COLLEGE

Dual Enrollment Overview

- Dual Enrollment students take college classes while still in high school—these courses can be either academic or technical
- High School Credit + College Credit = 1 College Class
- Dual Enrollment funds cover tuition, textbooks, course materials and most college fees/expenses
- Degree Level Core Courses Transfer to USG colleges ie ENGL 1101, HIST 2111, POLS 1101, MATH 1111

SOUTHERN CRESCENT TECHNICAL COLLEGE

Eligibility Requirements

- Must be a 10th, 11th, or 12th grade student
- Must have minimum 2.0 GPA

REMINDERS

- ★ Meet with your school counselor
- ★ Obtain acceptance by the University/College for Dual Enrollment
- ★ Complete the student & parent sections of the DE online application
- ★ Complete the participation agreement and HCS Checklist with the school counselor.
- ★ The school counselor must be informed of any changes.
- ★ Grades of W, WD or WF (withdrawal from a course) given at the college will equate to a "F" on the high school transcript, unless there are extenuating circumstances.
- ★ Make sure your counselor receives a copy of the transcript at the end of each semester or quarter.

REMINDERS

- ★ Contact the counselor for participating in DE for the following semester.
- ★ Follow all deadlines for the college/university. All information must be completed and school counselor must have all information to enter into the funding application **10 days prior to college deadline**.
- ★ Make sure you balance your high school and college courses, if you enroll in both.
- ★ Make the most of this awesome opportunity!
