Dear Families,

We are excited to offer scholars the opportunity to participate in the Summer Learning Program. This program will consist of Math, ELA, and Science for rising 7th and 8th grade scholars. The focus will be on building skills in preparation for success next school year. The program will offer “hands on” academic learning experiences where students will review 6th and 7th grade concepts, through engaging and authentic tasks. Scholars participating in the Summer Learning Program will be better prepared to enter the next grade level with the confidence to engage successfully in their Math, ELA and Science course.

Your child _____, has been selected to participate in this summer learning opportunity. The program will **begin June 13th** and **conclude June 30th**.

The Summer Learning Program for Rising 7th and 8th Graders is:

- Offered at no charge to families
- Designed to provide hands-on math activities centered around creativity and inquiry
- Classes will be offered in a 3-week program, excluding Fridays (*June 20th, 2022 is a Federal Holiday-No Classes*)
- Face-to-face (9:00am – 1:00pm)

Transportation:

Morning and after class transportation is **NOT available** to students who attend the Summer Transition Program. Please make sure you are able to provide transportation for your scholar.

Please return this form to your child’s schools counseling office no later than Friday, June 3, 2022.
