G. Discussion Items and Items for Study

a) **Conduct Code Discussion-** Mr. Eric Watson, Executive Director of System Support, Safety, Code of Conduct, captured concerns and what's going well at HES. Council members are pleased with the code of conduct and suggested greater safety features for the school and students. The 2023 focus areas (Fighting, terroristic threats, and bus safety/conduct) were reduced.
b) **CCRPI Results/ Next Steps**- AP Williams reviewed the College and Career Ready Performance Index (22-23SY results).
c) **Cluster Conversation**- Spring Cluster Conversation at Hampton High School will begin at 6pm with a chorus performance on March 14th.

H. General Discussion of Council Members

a). Mrs. Youngblood shared items from the Advisory Meeting. She is very pleased as a parent about HCS putting a priority on safety. Parents are asking for more homework for all major subjects. Mr. Watson shared that greater consequences are in place for bus misconduct and to have ISS staff to assist with behavior. Mr. Watson, reiterated the safety measures that are present in every HCS location. These include but not limited to a School Resource Officer(SRO). The plan is to have one in every school. Currently elementary schools are sharing an SRO with the cluster middle school. The new buzz door is in place, door ajar system to notify front office of any open exterior doors, and additional cameras have been installed in the buildings.

b). Parents are asking to receive the student absence notification earlier in the day.

c). 24-hour cyber security would cost the county $750,000. More research to come.

I. Public Participation

No public participation.

J. **Adjournment:**

Meeting was adjourned at 4:27 pm
