

What is a Compact?

A compact is an agreement that parents, students, and teachers develop together. The compact explains how parents and teachers will work together to make sure all students reach grade-level standards.

Effective Compact

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about students' progress
- Describe opportunities for parents to volunteer observe, and participates in the classroom

Jointly Developed

The parents, students and staff at Luella Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Input meetings are held each year to review the Compact and make changes based on student needs. Parents are welcome to contribute comments at any time!

Teachers, Parents, & Students "Leaders Exceeding Standards"

Increasing Literary Skills

- 🐾 As a school, we will provide parents with an explanation of Fountas & Pinnell as well as resources for parents (i.e. academic calendar, Level Up parent cards) on how to increase their child's reading level.
- 🐾 As a parent, I will ensure my child reads at least 20 minutes a day and use the resources (i.e. academic calendar, Level Up parent cards).
- 🐾 As a student, I will log my 20 minutes of reading and work with my parent to complete the monthly academic calendars.

Improving Reading Vocabulary

- 🐾 As a school, we will provide parents with a list of grade appropriate vocabulary words for parents and students to master at home.
- 🐾 As a parent, I will ensure my student masters the list of grade appropriate vocabulary words by practicing at least 45 minutes per week.
- 🐾 As a student, I will work with my parent to master the list of grade appropriate vocabulary words by the end of the year. I will complete 45 minutes each week of practice.

Increasing Number Fluency & Using Strategies

- 🐾 As a school, we will provide parents with a parent letter from IXL and Moby Max(regarding student's progress and on how to increase their child's math strategy stage. Moby Math finds and fixes missing math skills that are essential for math comprehension. Students increase an average of 1 grade level with just 20 hours of practice. Moby Math is a comprehensive math curriculum for kindergarten to 8th grade.
- 🐾 As a parent, I will ensure my child is completing the monthly academic calendar as well as use the math resources sent home by the teacher.
- 🐾 As a student, I will work with my parents to complete the monthly academic calendar.

K/1st FOCUS AREAS

To help students become stronger and more fluent readers, we will focus on the following areas to improve student reading skills:

- 🐾 Improve literary skills through consistent and monitored practice at school and at home
- 🐾 Master the grade appropriate sight word list to help strengthen fluency when reading
