

Second Grade Newsletter

Week of: August 19-23, 2024

Reminders

Transportation Changes:

If your child will be going home a different way than normal, please send in a handwritten note with the change, your signature, and a phone number. **These can not be accepted through email or ClassDojo. We can not just go off of what a student says without a handwritten note from a parent.**

Classroom Points

Students can earn 10 points per day. These are recorded on the calendar in their binders. Please sign daily and check in with your child. We specifically follow the classroom management plan that was sent home with BOY stuff. Please let your child's teacher know if you have questions or concerns.

Attendance

If your child is going to be out, please do your best to send in a doctor's note, or a handwritten note the day that they return. We are only allowed to take 5 handwritten (not doctor's notes) this year.

Boosterthon

It is Boosterthon time! This is our big fundraiser for the school, and it recently helped us purchase a playground specifically for our students with special needs! You can register at mybooster.com. Info was posted on Dojo on 8/15.

Homework

- Read 20 minutes each night and record the minutes read in BeanStack (a flyer came home at the beginning of the year)
- Fluency passage with questions
