

3rd Grade newsletter

Week of: August 26-30th

REMINDERS

- School begins at 7:35, and breakfast runs from 7:10-7:30.
- Please check and sign your child's binder nightly.
- Please read for 20 minutes each night and track it on BeanStack.
- Please ensure that your child charges their Chromebook nightly!

WE ARE LEARNING

Reading: I can describe, compare, and contrast characters. I can locate and describe text and graphic features.

Writing: I can write an informative text to convey ideas and information clearly.

Math: I can measure mass, liquid volume, and length.

Science: I can explain how external features and adaptations help animals survive in the different regions of Georgia.

Homework Math pages 173-176
