ESSER III - ARP:

Grant Period - 03/24/2021 - 09/30/2023

Initiatives	Descriptions
Business Continuity	Business Continuity will ensure the successful implementation of the American
	Rescue Plan by supporting programs, services and resources that prevent,
	prepare for and respond to the coronavirus and ensure that FCS is able to
	continue the work of the organization by offsetting financial losses monitoring
	ARP program expenditures, and finding innovative ways to continue business
	as usual.
	FCS will provide a direct allocation to Charter Schools.
Operations - Health and Safety	Employee Wellness Program initiatives focus on mental, physical, nutritional, and
	financial health of district staff and will provide educational opportunities,
	resources and services, annual health expo, mobile health units and other
	physical activities. Funding has also been provided to support School/Admin Site
	Wellness Ambassadors, create additional wellness rooms at Admin sites &
	Schools, implement new wellness software program to capture outcome data
	and promote district-wide recognition and morale boosting employee activities.
Operations - Transportation	Funds will be used to purchase and utilize bus simulators to train drivers. This
	training has been proven to reduce the number of bus accidents by 60%.
Instructional Reserves	Funds used to purchase PPE for the district, pay for substitutes, provide retention
	stipends, and support the online remote learning programs for students in first
	and second grades.
Program Management	Program Management will evaluate and ensure compliance and reporting
	requirements are met by all required district and state and support the
	coordination of activities that address learning loss, prepare schools for
	reopening, and support activities that mitigate the impact of COVID-19. A
	communication plan that provides monthly communication as well as program
	and financial updates to the School Board and district stakeholders will be
	created along with a reporting dashboard that provides financial updates related
	to all CARES/ARP projects.

•	very Child Reads is a transformational, multi-year, five-pronged literacy
re	
	eform strategy to reach the FCS Literacy goal of 95% of all students reading at
O	or above grade-level. The strategy includes Community Partnership, Talent
A	Acquisition, Professional Development, Resources and Multi-tiered System of
St	Student Support.
Literacy Leadership A	A new Literacy Director, 3 Early Literacy Program Specialists, and 3 Literacy
In	nterventionists will provide leadership for the Every Child Reads literacy
in	nitiative.
Assessment A	Assessment funding has been designated to purchase a Dyslexia Screener for the
di	listrict and multi-tiered support for students.
Bus Literacy Words & PBIS Rewards B	Bus Literacy Words are vocabulary words will be purchased for school buses.
0	One new vocabulary word one week and the next a new numeracy word,
al	elternating throughout the year. The program will have specific instructions to
b	be followed by each bus driver. Words are chosen based on the school level.
В	Bus PBIS Incentives will be purchased as PBIS lesson reminders (a pencil given to
ea	each student with the weekly PBIS lesson title) for every middle and high school
st	tudent riding the school bus. Elementary is already purchased. There are a total
0	of 9 lessons for each school level.
Human Capital Investment Ev	every elementary school has hired a K-2 literacy coach to assist with
in	mplementing the literacy training and supporting student learning.
Professional Development Li	iteracy professional learning solution will be provided for school leaders and
te	eachers to give teachers the skills they need to master how to teach the five
es	essential pillars of reading. The LETRS professional learning consists of eight units
01	of learning and utilizes a blended approach combining online modules, reading,
liv	ive instruction with a LETRS facilitator, and classroom application activities to
a	apply the learning. At the end of Unit 4 and Unit 8, participants complete an
as	ssessment to achieve mastery. LETRS for Administrators teaches administrators
h	now to create school structures to ensure teachers are prepared to teach all
st	tudents to read. District staff will support school leaders and teachers progress
l tr	hrough the LETRS curriculum, gather evidence of learning, and provide feedback
to	o teachers on the classroom application activities.
Small Group Instruction TI	he district will provide an instructional framework and resources for teachers to
sr	mall group instruction in the district's HS ELA and Math support classes.

Initiatives	Descriptions
Expanded Program Options	Expanded Program Options will provide all students K-12 with the opportunity to participate in both in-school and out-of-school career exploration and cultural experiences to increase the number of students completing CTAE pathways and receiving industry certifications; expand the virtual footprint inclusive of 90% of virtual learning digital curriculum; create a robust system of wrap-around supports, academic programming, and work-force ready options to meet the needs of students most at-risk (for not graduating or not graduating on time); extend the K-5 learning experience into communities with large learning gaps by implementing a mobile learning classroom and engage the community and stakeholders to explain the benefits of the K-8 model across all learning zones.
	CTAE will provide all students K-12 with the opportunity to participate in both inschool and out-of-school career exploration and cultural experiences. This will lead to an increase in the number of students completing CTAE pathways and receiving industry certifications.
Enhanced Experiences	Cultural Kaleidoscope will provide every FCS student with enriched, educational learning beyond the classroom through field trips offering authentic experiences, cultural exposure, and building background knowledge and vocabulary.
Dropout Prevention	Dropout Prevention strategies will create a robust system of wrap-around supports, academic programming, and work-force ready options to meet the needs of students most at-risk (for not graduating or not graduating on time).
K-2 Virtual Expansion	Fulton County Schools will expand live, virtual instruction to students in grades K-2 using the FCS Curriculum.
К-8	The K-8 team will engage and present to the community and stakeholders the benefits of the K-8 model across all learning zones, create K-8 instructional models and educational specifications, and evaluate the effectiveness of the engagement and improved understanding of K-8 through a feedback tool.
Mobile Learning	Mobile Learning centers will extend the K-5 learning experience into communities with large learning gaps by implementing a mobile learning classroom.
Virtual Expansion (K-11)	Virtual Expansion funds will be used to expand the virtual footprint in FCS by developing and curating 90% of virtual learning digital curriculum in-house, implementing the @YourSchool model (a virtual learning satellite program) with a staff sustainability plan in 100% of FCS High Schools and implementing a robust staff training path. All teachers teaching an online course (through FAVE, Fulton Virtual, or Satellite @YourSchool Model) will earn the online teaching endorsement and become Quality Matters Certified Course Reviewers. All high schools with the @YourSchool Model will have taken the administrator training for online programs and adopt a blended learning model for the implementation of their LMS and will have implemented consistent practice and utilization of the LMS.

Initiatives	Descriptions
Leadership Development Aspiring Leaders	High quality professional learning will be provided for current principals and other select leaders. A highly structured and customized program will provide select principals with the essential skills, tools, and dispositions necessary to support other principals through coaching cycles of support using high leverage coaching actions and elements of the Fulton County Schools Coaching Framework. FCS will pay the tuition, textbooks and expenses associated with completing practicum experiences for identified high potential aspiring leaders to earn Tier I and Tier II leadership add-on certification through Georgia State University to prepare leaders for the roles of assistant principal and principal.
Current Principals	FCS will partner with ClearView Consulting to administer the BEI: Competency-based Assessment to all current principal and other select leaders. The BEI (behavioral event interview) is used to assess leaders across seven leadership competencies to develop sustained learning and coaching support based on data collected on the competency needs. A Principal Coach will work with new Principals to provide coaching and mentor support.
Principal Supervisors	Principal Supervisors will engage in learning centered on UVA's Partnership for Leaders in Education Sheperd's Coaching Framework. During the series of learning, principal supervisors will learn how to strengthen the instructional capacity and change management skills of principals. Principal supervisors will walk away knowing how to effectively hold school leaders accountable for implementation and measurable progress of improvement efforts. The Gallup Clifton Strengths Assessment will be used to identify a leader's natural talent so that he/she can enhance job performance, build stronger relationships, and achieve personal growth. Upon completion of the assessment, the principal supervisor will receive personalized insights in report format that will provide strategies for managing potential weaknesses and strategies for leveraging what he/she does best and used to provide high quality professional learning for principal supervisors.

Initiatives	Descriptions
Textbook Adoption	Textbook Adoption is the process of aligning K-12 reading/ELA instructional resources to GSE standards and the five pillars of reading.
ELA & Vocabulary Resources Professional Development	Fulton County Schools will adopt K-12 Reading/ELA instructional resources aligned to GSE standards and to the five pillars of reading for implementation in the 2022-2023 school year. The district will provide resources to all middle school Reading, ELA, Science, and Social Studies teachers to implement direct, explicit instruction on word learning strategies and the meanings of Tier 2 and 3 words. Students will utilize Achieve 3000 and i-Ready which will provide increased opportunities and experiences to foster word consciousness. Professional Development will be offered to ELA Teachers in grades K-12 during the summer and throughout the school year as needed. Funds will be used to pay
	for training stipends and contracted services needed to provide training.
FOCUS	A systematic approach to accelerate student learning through an equitable lens. Fulton County Schools created 6 cross departmental teams working collaboratively to develop unique learning opportunites for students, parents, and staff.
Summer School	Summer School is an opportunity for students to accelerate or recover credits during the time between school years. Face-to-face and virtual offerings exist, and often provide students with a broader array of options than those available during the school year. In order to learn more about the specific programs, please select the appropriate level for your student.
High Dosage/Small Group Instruction	Supplementary, one-on-one or small group instruction for at least three 30 minute session per week for a minimum of 50 hours per semester using tutors, paraprofessionals at elementary schools, partners, teachers and volunteers. High-dosage/small group sessions include flexible groups and instruction, before/during/after school and/or weekends.
Student Safety	The Student Safety Initiative will help school staff and administrators to build capacity and restoratively improve school climate and culture through positive behavior interventions and supports and fair discipline processes and procedures.
Compliance & Reporting	Development of a comprehensive initiative to address safety and security in schools.
Behavior Interventions	Supporting teachers and student behaviors throughout the district as demonstrated by school referral and behavioral data needs.
Academic Interventionists	Implement targeted and multi-tiered systems of support in middle and high schools in Zones 1-3. Also provides intense support to graduation coaches to implement the FCS Dropout Prevention plan.
