

STOCKBRIDGE HIGH SCHOOL

School Council

Vision/Mission Statement

SCHOOL COUNCIL VISION:

The vision of the SHS School Council is to bring parents, other community members, and school members closer together to help solve problems, improve academic achievement, provide support for teachers and administrators, and to promote student achievement through teamwork.

PURPOSE:

Why do we exist?

To provide support to the school in an effort to ensure Continuous Academic Achievement.

What is our purpose?

To bring parents, faculty/staff, Administrators, Partners in Education, and the local community together to improve and promote Student Achievement.

CORE VALUES:

What beliefs do we hold as a school council?

- All students can learn
- Data Driven Decisions
- Specific plan of support for at-risk students

What do we value? Student Achievement

What is important to us? Continuous Improvement

SCHOOL COUNCIL MISSION:

Our mission as a School Council is to bring parents, administrators, faculty/staff, Partners in Education, and the local community together to improve and promote Academic Achievement, provide support, and create a better understanding and a mutual respect for each other's concerns.
