Report of the Principal-Mr. Thompson shared information from the Instructional & Operational Leadership meeting that was held on Sept. 28th, the objective being a reflection on the 1st 6 weeks of school. Two Board Policy (BAB & IAB) handouts were read and discussed. These policies were put in place to insure that all Henry County students receive what is needed for them to achieve academically through their school careers. Parental involvement was an area of concern that was brought up.

Open Forum- Ms. Reed went over the Ameris Bank food drive handout and was approached by Ms. Rochowski with a proposal that the student Council be able to partner with Ameris Bank in offering a food drive competition during the October 24th Red Ribbon Week. This was approved and donation boxes were dropped off for this event.
