I. Introduction of District Employees-rescheduled until December 2nd meeting

II. District Presentation of Strategic Planning-rescheduled until December 2nd meeting

III. Open Forum-

- a) Grade recovery pathways for students will be available until 1st semester finals.
- b) The testing platform Illuminate, school grading practices, the UGA created District's CFAs (Common Formative Assessments), and Benchmarks (end of unit tests) were explained and discussed.
- c) HCS level 3 mitigation strategies were discussed in regards to mask optional participation and visitors in building.
- d) A recent survey sent out to students will help our Mental Health and Wellness Facilitator, Counselors, and Administrative Staff pinpoint problem areas that students may be dealing with socially and emotionally.
- e) UGMS town hall meetings, and the scheduling of, was revisited from the last council meeting, but because of the district also holding such meetings UGMS will look to scheduling these after the 1st semester.

Meeting was adjourned at 8:45 a.m. The next School Council meeting will be held on December 2nd at 7:30 a.m. in the Media Center.
