## **Clinic/Tryout Procedures**

Every candidate trying out is responsible for the information presented during the three days of the tryout clinic: **Monday, April 25<sup>th</sup>- Thursday April 28<sup>th</sup>, 2022 in the Auxiliary Gym from 4:30pm-6:30pm.** Tryouts will be held on **Thursday, April 28<sup>th</sup>** in a place to be determined.

Candidates **MUST** be present all days of clinic to be eligible for consideration, unless something has been arranged with the coaches. Before each clinic day, the candidates will be required to run warm-up laps. They will also be properly instructed on how to stretch. Candidates should be able to run the entire time.

During the clinic, candidates will be taught a chant, a cheer, a stunt and a dance. Candidates will be put into groups for tryouts. They will perform the cheer, stunt and dance routine in groups. Jumps and tumbling skills will be performed individually.

**\*\*\*Coaches will also be observing very closely the behavior and attitude of each candidate throughout the clinic, and how well each candidate works with others. This observation can have a huge impact on the outcome of tryouts on Thursday.**

The coach's observations of ability throughout the week, overall attitude, grades, classroom behavior(recommendations) and total points earned in tryouts will determine who makes the squad.

Once tryouts are complete, candidates **must** leave the gym. Results of the tryouts will be posted on the Woodland High School website and the tryout BAND once the list has been approved by the Athletic Director and Administrators .Parents are not allowed to watch any of the tryouts or the clinic.
