20-Sweet Frog during lunch

25-Habit 2 writing due

Leadership Connection

Happy September to our Panther family. During this month, our 4th and 5th graders will be diving deeper into using Habit #2-Begin With the End in Mind. Students have set goals within their classrooms and personally to achieve. Action steps have been put into place to help reach these goals. Since accountability is helpful to reaching goals, students use trackers in their Leader in Me binders to watch their progress and adjust action steps. Working towards goals with specific actions and being accountable makes for a leader in action. What goals could your student help establish at home?

**Parent suggestions and
comments can be shared
using this QR code**

**Parents please scan the QR code to
become a school volunteer. This process
must be completed EACH year to be
included on our active volunteer list.**
