Dr. Ayers listed the topics for the dinner meeting: 1) New Hire Induction Review; 2) Hiring Update

Induction Review - Director of Curriculum Brandon Crosby reviewed the new hire induction schedule and professional development requirements for the 2024-2025 new hires and for first—through third-year teachers. They must have three approved district Professional Development credits completed by the end of their third year. Full-credit courses are one or two credits; five action labs convert into one full credit. The Professional Learning site lists available courses bi-annually.

Hiring Update - Human Resources Manager Melanie Sylte provided a hiring update. For the 2024-2025 school year, the District hired 68 new certified teachers. The Human Resources Department organized a job fair for educational support personnel, and 60 potential employees applied. Mrs. Sylte reviewed open certified and classified positions in the District with the Board, and Human Resources will review the application process to see how it can be more efficient for potential employees.

The meeting adjourned at 5:50 PM, with no action taken by the board.
