Welcome to Benfer Elementary!

As principal of the Benfer Bobcats, I am delighted and honored to lead our school community. My journey as an educator started off as a student at the University of Houston. While earning my Bachelor's degree in interdisciplinary studies, I worked as a special education paraprofessional for the Harris County Department of Education.

When I am not advocating for the education of students, I am being a mother to my 2 wonderful children, Mason and Morgan, who are also Klein ISD students. Often, I attend sporting events with my kids throughout the district, so if you see me out and about, be sure to say hello. Additionally, I can be seen out shopping, walking/jogging in the park, discovering new restaurants, and traveling to explore unfamiliar places.

Throughout the school year, I look forward to working alongside our Benfer Family. My goal is to maintain a positive school culture and successful educational program conducive to student learning and development through personalized learning experiences. If you need to reach me, do not hesitate to shoot me an email or call my office. As a Klein ISD educator, I am here to ensure that EVERY student is able to discover their purpose and ultimately become a success.

Bobcats are saying...

"I have had 4 kids at Benfer and every teacher has been amazing. They have taught them so much and loved them and I couldn't ask for more."

PARENT

"My daughters both attended Benfer, and now I have the privilege of working with the amazing staff, students and families that make it our home.

Our school sets high academic and moral standards, as well as looking out for and taking care of one another."

TEACHER

"I love that everybody is kind and all of the teachers are really nice. I just love it at Benfer."

STUDENT

PROGRAM HIGHLIGHT

Benfer Elementary teachers focus on high-quality instruction through the use of digital personalized pathways, peer collaboration and extension lessons when academic content has been mastered. Using a blended learning model, we focus on knowing students by name, strength and need and tailor learning opportunities to meet each individual student where they are in their learning journey.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
