You are receiving this message as your child(ren) is/are registered to receive transportation services from Manteca Unified.

We are writing to inform you of an important update to the transportation notification system, Zonar. Previously, parents received text message notifications each time their child entered and exited the bus using their Z-Pass.

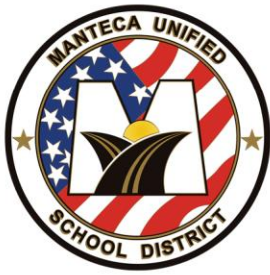

The Zonar system is now transitioning to app-based notifications through their mobile app called, "Zonar MyView". This mobile app will continue to provide you with notifications each time your child uses their Z-pass to board and exit the bus.

This transition is expected to be fully implemented within the next two to three weeks. We will send another update once the new feature is live.

We appreciate your patience during this transition. Should you have any questions, please don't hesitate to contact the Transportation Department at (209)825-3200 ext. 50444.

Thank you,

Manteca Unified

Queridas Familias de MUSD,

Está recibiendo este mensaje porque sus niños están inscritos para recibir servicios de transportación por parte del Distrito.

Le escribimos para informarles sobre una actualización importante al sistema de notificaciones Zonar. Previamente, los padres recibían un mensaje de texto cada vez que sus hijos entraban y salían de un autobús al utilizar su Z-Pass.

El sistema Zonar ahora mandara notificaciones por medio de su aplicación móvil “Zonar MyView”. Esta aplicación móvil continuara proporcionado notificaciones cada vez que sus hijos utilicen su Z-Pass al subir y bajar del transporte.

Esperamos terminar de implementar este cambio en las próximas dos o tres semanas. Les mandaremos una actualización una vez que el nuevo sistema esté funcionando.

Apreciamos su paciencia durante este periodo de cambio. En caso de que tenga preguntas, porfavor comuníquese con nosotros al Departamento de Transportación al (209) 825-3200 ext. 5044.

Gracias

Distrito Escolar Unificado de Manteca
