

Rainbow Sails

at Minnetonka Middle School West

Rainbow Sails is a GSA affinity group that provides a safe space for students and allies of the LGBTQIA+ community.

We are friendly, kind, welcoming and fun! All are welcome!

Mission: To provide an opportunity for students to positively engage and spend time together in a safe and developmentally supportive environment.

Meeting Days and Times

The club meets two times per month. Activities are advisor designed for middle grade students.

Description of Activity

A typical meeting will include sharing a high/low of the week, student recommendations (good books, movies, etc.) and discussing one or two advisor-selected questions such as "What do you think about LGBTQ+ representation in TV/Movies? Is there enough- why/ why not?" or "Do you think you are a supportive person? How come?" or "How can teachers make themselves more approachable to the student community?" or an arts and crafts/creative project.

All topics are age-appropriate. Students can make an appointment with their counselor/ social worker to discuss personal or more sensitive questions/issues.

Club Rules/Norms
